

Canadian Engineer

- ☐ Read because its statements are regarded as authoritative.
- ☐ Because it brings to the attention of the men to whom it caters, in text and advertisement, **only** those things which are worthy of their attention.
- ☐ For reaching engineers and contractors with purchasing power, advertisers cannot afford to leave out of their appropriation the Canadian Engineer.

Issued Weekly.

ONLY CIVIL ENGINEERING PAPER PUBLISHED IN CANADA.

62 CHURCH STREET, TORONTO

Canadian Cement and Concrete Review

- ☐ The **only** paper in Canada dealing exclusively with matters affecting the Cement and Concrete interests.
- ☐ All readers are probable buyers. No man would subscribe unless interested in Cement matters.
- ☐ Advertisers pay for no waste circulation. Every copy counts.

Sample copies and advertising rates sent upon application.
