

THE WONDERS OF ELECTRICITY

Now Used for Purifying Flour

The New Process Makes Bread and Pastry Lighter, Sweeter, Whiter and More Wholesome—Womera of Canada Delighted.

What is Electricity?
nobody knows, not even Edison.
What does it do?
everybody knows.
It runs street cars—telephones—auto-
mobiles.
It furnishes light—heat—power
—detects and defeats disease
—enables the doctors to see clear
through a man.
Performs all sorts of wonders
—not least of which is acting as

Nature's Great Purifier

Because when the world's dust, dirt
and disease germs have been taken up
by the air, and hang over the earth in
clouds—
—electricity shoots lightning through
the clouds
—flash!—boom!—rumble!
—down comes the rain, the atmos-
phere is purified and we exclaim
—"how nice and fresh the air is since
that thunder storm!"

Electricity in the Flour Mill

Something like that but minus the
thunder and lightning.
—silently—swiftly—surely
electricity performs its miracle in the
"Royal Household" mill—the only mill
in the Dominion of Canada where elec-
tricity is used for purifying purposes.
When the grinders—separators—
sifters—air-filters, have ground and re-
ground—purified and re-purified the

flour again and again, all down through
the seven floors of the big "Royal House-
hold" mill until it is nearer perfection
than flour ever was before—electricity
says—
—"I can do more than that!" and send-
ing its mysterious charge of

Electrified Air

through the flour, removes the last, least
trace of impurity—gives it new life and
greater energy—makes a flour that is
pure enough,
sweet enough,
white enough,

to be worthy the name and fame of
"Royal Household"—the flour that is
more delicious—more healthful—more
satisfying than any other flour in the
world.

—the flour that makes the bread and
pastry used on the tables of Royalty—
the flour that thousands of Canadian
women are now using to make better
bread—better pastry than they ever
made before.

Every day hundreds of testimonials
are coming to the Ogilvie Flour Mills
Co. Ltd., Montreal from women who are
using Royal Household Flour, accord-
ing to the "Royal Household" recipe
and say they are delighted with it.

The recipes will be sent free for the

DRESDEN

Jan. 14.—Over sixty enthusiasts
from here attended the grand Whit-
ney rally in the opera house, Chatham
last night. The meeting was without
exception the biggest and most en-
thusiastic of its kind ever held in the
city of Chatham. From pit to gal-
lery, the opera house was
crowded with cheering wildly enthu-
siastic humanity, who listened to the
addresses of the evening with the
closest and most appreciative atten-
tion. Such a tribute to the people's
candidates in the two Kent constitu-
encies in Ontario's right, can point
to but one thing—the return of Mr.
J. P. Whitney, with a good majority,
and the certain election of both Mr.
P. H. Bowyer and Mr. Jas. Gandy, as
his supporters from the County of
Kent. After last night's magnificent
meeting, the local workers will go
into the field with a new vigor and
with accelerated energy, and the peo-
ple in Dresden will speak with in-
creasing confidence in the success of
their candidates.

The Choir Boys' Minstrel, of
Wallaceburg, gave an entertainment
in the opera house last night to a
fair audience. The program was of
more than average merit, the first
part consisting of the comic opera
"Twilight in Camp," and concluding
with an olio of exceptionally high
order.

A. C. Smith returned home from
Mr. Forest last night.

Miss Effie Lawrence was a Chat-
ham visitor yesterday.

Dr. Clapp and Mr. Sandy McVean
were Maple City visitors yesterday.

Mr. and Mrs. W. H. Willson enter-
tained a number of friends at their
home on Brown street last night.

TILBURY

Jan. 12.—As a result of the recount
here yesterday, before Judge Mc-
Hugh, Reeve Tidwell was confirmed
in his seat in Tilbury North, and his
majority increased from 1 to 4. The
costs will be about \$40.

Miss Edith Magee and Newton
Annisle were married here yester-
day by Rev. T. Dobson, at the home
of the bride's parents, Mr. and Mrs.
H. Magee.

A large number from here attend-
ed the silver wedding of Mr. and Mrs.
P. W. Richards, of Quinn, while an-
other large lot of the Young Peo-
ple's Auxiliary Society were enter-
tained by Mr. and Mrs. Wm. R. Da-
vidson, of the same place.

Trains are late on the M. C. R., as
a result of the ice blockade at De-
troit.

Jan. 13.—General regret is expres-
sed here over the tragic death of Miss
Bates. Deceased was well and favor-
ably known here, having at one time
taught school in Tilbury East, only
three miles distant.

A joint meeting of West Kent and
South Essex Liberals will be held
here on Wednesday evening next.

A number of local Masons attend-
ed the Royal Arch meeting in Chat-
ham last night.

The employees of J. S. Richardson
challenge the town's hockey con-
test at a date to be agreed upon.

The new bowling alley will open to-
night.

The funeral of the late Thos. W.
Baird, who died Tuesday in Chatham
General Hospital, was yesterday very
largely attended. Rev. Mr. Nichol,
of the Presbyterian Church, officiating.

The local Oddfellows followed the re-
mains to Burgess' cemetery, where
the remains were interred. There
were several floral offerings from
Oddfellows and his fellow-employees
in the Big Store.

Village Council did not meet last
night, owing to the absence of Coun-
cillor Chalmers in Chatham.

WALLACEBURG.

Mr. Geo. Colwell was in Dresden on Fri-
day last.

The Installation of Officers took place in
the Odd Fellows' Hall on Friday evening.

The thaw on Thursday last made good
skating again on the river.

Mr. B. G. Gonyou has accepted a posi-
tion with M. J. Hurst behind the counter.

Died, in Chatham township, on Thursday
Jan. 12th, 10.5, Eliza Shaw, wife of Isaac
Shaw. Aged 68 years, 5 months and 14
days. The funeral will take place from her
late residence, lot 21, con. 3 Chatham town-
ship, Sunday, Jan. 15th, at 2 p. m., service
will be at the house, interment at Walla-
ceburg cemetery.

After a lingering illness for about a year
one of Wallaceburg's most respected citi-
zens passed away, Daniel Johnston, aged
40 years. Mr. Johnston had lived in Wal-
laceburg most of his life. He has held a
number of local offices in the town. Mr. Johnston
leaves a brother and sister living in town,
Charles and Mary. The funeral will take
place on Sunday, Jan. 15th, from his late
residence to the Wallaceburg cemetery.

THE SMALLEST MOTOR IN THE
WORLD.

The smallest electric motor in the
world was built by a watchmaker
whose work has trained him to han-
dle delicate machinery. It was made
with all the exquisite care required
in making a motor that moves with
all the regularity of the big machines
and it is so small that the owner
wears it as a watch pin. Viewed from
a little distance the article has the
appearance of a very valuable and
rather curiously designed pin. It is
only when standing near to it that
its nature can be discovered. The
first thing to attract attention is
the buzzing of the machine, which
by means of current obtained from
a small battery carried in the vest
pocket, is kept in operation at a
high rate of speed, with a noise like
a bee buzzing.

A Laxative's Breathing

Hold a locust between your fingers
and watch the breathing movements
of the body. Professor Packard says,
"There were sixty-five contractions in
a minute in a locust which had been
held between the fingers about ten
minutes." How does that compare with
the number of breaths you take each
minute? Insects of swiftest flight
breathe most rapidly.—St. Nicholas.

"NOT IF IT COST TEN DOLLARS
A bottle would I be without Pol-
son's Nervine," writes J. A. Rath,
a farmer living near Toronto, Ont.
Nervine is the best household in-
gredient I know. We use it for sto-
mach troubles, indigestion, headache
and summer complaint. I know of
nothing better to take in hot water
to break up a cold, or to rub on for
rheumatism or neuralgia. Every
farmer should keep a few bottles of
Nervine handy and have smaller
doctor bills. Large bottles 25c. at
druggists.

No Great Curiosity.
Farmer Hook—I was readin' the oth-
er day that it's a scientific fact that
a mule can be kept from brayin' by
tyin' a stone to his tail. Farmer Horn-
beak—Well, let him that is without sin
tie the first stone.

IT IS HIGHLY INJURIOUS.
To use a cheap drastic physi-
c. Safest remedy for constipation and
all ailments of the bowels. Dr. Hamilton's
Pills of Mandrake and Butterbean, which
loosen the bowels without griping
pains. Use only Dr. Hamilton's Pills.
Price 25c.

Lots of men are cranks, and yet
you can't tell them down.

A dentist is enough to take the
nerve out of any man.

"Cleanliness is next to godliness."
Dirt and depravity go hand in hand.
This is just as true of the inside of
the body as the outside. Constipation
clogs the body and clouds the mind.
Constipation means that corruption is
breeding in the body, poisoning the
blood with its foul emanations, be-
fogging the brain with its tainted ex-
halations. Constipation is the be-
ginning of more diseases than per-
haps any other single disorder. The
consequences of constipation are le-
thal. Headache, pain in the side,
shortness of breath, undue fullness
after eating, coldness of the extremi-
ties, nervousness, indolence, lassitude,
dizziness, salivaceous, flatulence, and
a score of other ailments are direct-
ly caused by constipation. Cure con-
stipation and you cure its consequen-
ces. The quickest cure of this evil
is obtained by the use of Dr. Pierce's
Pleasant Pellets. They are small in
size but wonderful in result. They
cure permanently. They contain no
injurious ingredients. The use of
them does not breed the "pill habit."
Ask your druggist for them.

Married Mother and Daughter.

An extraordinary story was told at
the Aldershot County Court recent-
ly, when Mrs. A. G. Fitzgerald
brought an action against George
Knight, telegraphist at the head-
quarters office of the first army
corps at Aldershot, for the recovery
of £10 due to her under a deed of
separation. Plaintiff, it appeared,
married defendant about 22 years
ago. She had then just returned from
India with her two children, believ-
ing her first husband was dead. De-
fendant was then in the army. Be-
fore the marriage took place plain-
tiff told him the story of her pre-
vious marriage. Some years later her
husband left her. Recently defendant
discovered by means of an advertise-
ment that plaintiff's former husband
was alive when he married her, and
also by the same discovered the
whereabouts of Mrs. Fitzgerald's
daughter. The daughter was reunited
to the family, and soon afterwards
defendant plaintiff to sign a
separation agreement, by which he
was to pay her so much a week.
Shortly after her daughter and de-
fendant left the house, and she then
discovered that the former had had a
child by defendant, and that he had
married her. In the agreement, which
Mrs. Fitzgerald said she had not
read, was a clause to the effect that
if she interfered with defendant, the
allowance would cease. All she had
done was to go to her daughter to
induce her to come back to her.

The judge, the Hon. Arthur Rus-
sell, characterized the defendant's ac-
tion as the most disgraceful thing a
man could do, and told Knight that
the plaintiff could molest him as
much as she pleased as far as he
was concerned. Judgment was given
for the plaintiff, with costs, and
loud applause.

Dyspepsia,

Got No Relief From
Medicines, But Found It At

Burdock Blood Bitters

Mrs. Frank Hutt, Morrisburg,
Ont., was one of those troubled
with this most common of stomach
troubles. She writes:—"After
being treated by three doctors, and
using many advertised medicines,
for a severe attack of Dyspepsia,
and receiving no benefit, I gave
up all hope of ever being cured.
Hearing Burdock Blood Bitters as
highly spoken of, I decided to get
a bottle, and give it a trial. Before
I had taken it I began to feel better,
and by the time I had taken the
second one I was completely
cured. I cannot recommend Bur-
dock Blood Bitters too highly, and
would advise all sufferers from
dyspepsia to give it a trial."
