HEALTH.

Sick Headache.

Certain forms of headache that have a way of coming on periodically are termed as above. As a rule they are related to the stomach, and accompanying intestinal disturbance. The amount of suffering differs according to the temperament of the person His Spine Injured Whil Working in the and the state of health.

Good advice in the treatment includes attention to diet and surroundings and local applications. The light in the room The temperature must be kept even, although the patient may prefer a lower one than is ordinarily comfortable.

water, and putting a warm piece of flanned about the body are often of great service to lessening the pain and shortening the duration of the attack. While employing these measures, a mustard leaf—such as your druggist sells in little tim boxes—applied to the back of the neck may be found to be serviceable. Or one of the rubber neck bags filled with hot water will serve the purpose, and be lessirritating to the skin.
