DRINK AND EFFICIENCY.

It was said, a generation ago, by a minister of the own, without apparently any conception of the significance of his own words, that the country had nce more drunk itself out of debt. The present chanellor of the exchequer sees, no doubt, through the shallowness of such reasoning, the concrete fact that countries can only drink themselves out of the debt they have drunk themselves into. The indirect effect of drink in the Russian empire was the acceptance of Monday as a dies non, with the consequence of resinthe in France was the phenomenon known as the

If it is true, and there is no reason to doubt the statement, that the combination of gin and whisky has reduced the capacity of the stevewores of Liv erpool and the riveters of Newcastle beyond that on the Tyne and on the Mersey there is a custom much ent upon the sound. Having made up his mind what the real enemy is, the chancellor of the exchequer is not likely to hesitate in striking at it without more ado. Cowardiice has never been charged to Mr. Lloyd-George's account. He will make no more of the loss to the revenue than of any other difficulty which he may be called upon to face in the matter. 'We have got," he said, in addressing the ship own ers. "to settle with Austria and Germany, but in or der to do this we shall have first to settle with drink."-Christian Science Monitor.

"BERTIE" IN THE TRENCHES.

"In this great war, this holy war, we are fighting for the liberties of the world," said Will Crooks, M.P., at a Hull recruiting meeting. "We are all in it—
the man from the field, from the factory, from the foundry, from the ship, from the railway, and 'Bertie You perhaps don't know Bertie I have often made fun of him, with his eye-glass, dia nond pin, and white spats. He tells me I drop my 'h's,' and I tell him he drops his 'r's,' and that he ween us we might as well drop the alphabet. Yes, I have made fun of Bertie-but where is he to-night?in the trenches. He has given up wealth and luxury and idleness, and to-night you will find him in the trenches side by side with your pals and mine. We are all members of the same family, and we are getting to understand one another better."-New
