

POWER plus Service

Mr. H. TUTTON, of Brantford, Ont., writes:

Gentlemen— I have had my Gilson 6 h.p. Engine for eight years and it is equally as good as new now, after doing all our work. In all this time, I have had absolutely no expense for repairs. I would not be without it for anything. I can chop a bag of the heaviest grain in four minutes—mixed grain and oats in less time. I also use it on the circular saw, rip saw, cutting box, etc. All these jobs it handles easily, with great strength. Compared with other makes around me, I am perfectly satisfied with its economy of fuel.

When you buy a "GILSON" Engine, you buy reliable power plus service. We point with pride to the many GILSON Engines, turned out in the early part of our career, that to-day are running as smoothly and giving the same reliable service as when they left our factory.

The owners of these engines will tell you frankly that their engines have actually cost them less and given them more service than engines which could have been bought at a far lower first cost. Durability—dependability—Service to the Buyer are the watchwords of the GILSON factory.

"STANDARD OF THE WORLD"

Gentlemen— My No. 23 GILSON PAPER CUTTER is so superior to other blenders that it cannot be placed in the same class. For ease of feeding, and the amount of stuff it will put through with my 8-h.p. Gilson Engine it is a marvel. We have never yet been able to plug the blower pipe.

THE HYLO SILO

The Mortgage Lifter

SWEET FRESH ENSILAGE down to the last forkful. The Hylo Silo is perfectly air-tight. No frozen or spoiled ensilage around the walls. Convenient and perfect fitting doors, that you can adjust without hammer or wrench. Made of guaranteed Southern Long Leaf Yellow Pine. Built to last a lifetime. Stands rigid when empty.

Gentlemen—I received my 30 ft. HYLO SILO in A-1 condition, and am well satisfied with it. Two of us put it up in twelve hours, and I certainly was surprised at how easily it went together.
