The Brandon Trust Company, Limited, with head office in Brandon, has issued a pamphlet giving the names of the directors, a precis of the proceedings at the company's first general meeting and a list of the shareholders. The company's capital is $1,000,000 of which $425,000 is subscribed. Mr. A. C. Fraser is president, and Mr. A. L. Young, vice-president. The managing-director is Mr. John R. Little. "The foundation of the trust company idea," says the pamphlet, "is the failure of the individual trustee. There are few people who cannot recall some instance where a widow, left sole executrix, has been badly advised, and lost all she had; where the man whom everybody trusted, speculated with the moneys left in his care, and was unable to make restitution, or where the fortunes of a family have been wrecked by the absconding of a trusted friend. The Brandon Trust Company offers insurance against loss from these sources; and it is as necessary as insurance is against fire."
