DO NOT NEGLECT IT.

### CURE CONSUMPTION.

The most strongly marked and developed cases of Pul-  
monary Consumption, where the lungs have become dis-  
eased and ulcerated, and the case so utterly hopeless, as  
to have been pronounced by Physicians and friends, to be  
past all possibility of recovery, have been cured by this  
wonderful remedy, and are now as well and hearty as  
ever. It is a compound of medicines which are pecu-  
liarly adapted to and essentially necessary for the cure of  
COUGHS AND CONSUMPTION.

Its operation is mild, yet efficacious; it loosens the  
phlegm which clogs so much difficulty, relieves the  
cough, and assists nature to expel from the system all  
diseased matter by expectoration, producing a delightful  
change in the breathing and chest, and this, after the per-  
sistence of the very best medical men and the invoca-  
tions of kind and sorrowing friends and Nurses, have in-  
deed given the smallest relief to the Consumptive sufferer.

### THOUSANDS OF CONSUMPTIVE

persons have been deceived repeatedly in buying medi-  
cines which were said to be infallible cures, but which  
have only proved palliatives, but this medicine is not only  
a palliative but a cure for ulcerated lungs. It contains  
no deleterious drugs, and a trial will prove its aston-  
ishing efficacy better than any assertions or certificates in  
curing consumption and all diseases of the Lungs, such as  
Spitting of blood, coughs, pain in the side, night sweats,  
&c. &c.

About 1000 certificates of almost miraculous cures, per-  
formed by this medicine, from some of the first Doctors,  
Clergymen, and Merchants, have been sent us for this me-  
dicine, but the publication of them looks too much like  
quackery (will show them to any person, calling at our  
office). This medicine will speak for itself and enough in  
its own favour wherever it is tried.

Caution.—This medicine is put up in a large bottle, and  
the name of Judson & Co., Proprietors, New York on the  
slender Wrapper around the bottle. All orders must be  
addressed to Comstock & Brother, No. 9 John Street,  
New York.

## EAST INDIA HAIR DYE.

Colours the Hair, and not the Skin.

This dye may be applied to the hair over night, turning  
the lightest RED or GREY HAIR to a dark brown, and  
by repeating a second night, to a bright jet black. Any  
person may, therefore, without the least possible trouble,  
keep his hair any dark shade or perfect black; with a pos-  
sible assurance that the dye, if applied to the skin, will  
not colour it. By an occasional application, a person  
turning grey will never be known to have a grey hair.  
Directions complete with the article. There is no con-  
founding in this statement, as one can easily test.  
These facts are warranted by the gentleman who man-  
ufactures it, who is the celebrated Chemist, Dr. COM-  
STOCK, author of Comstock's Chemistry, Philosophy,  
and other works, and School Books, well known and  
widely celebrated by the public.

### DEAFNESS.

Use Dr. LARZETTE'S ACQUATIC OIL, for the cure  
of Deafness. Also, all those disagreeable noises, like the  
buzzing of insects, falling of water, whizzing of steam  
which are symptoms of approaching deafness. Many per-  
sons who have been deaf for ten, fifteen, or twenty years,  
and were subject to use ear trumpets, have after using  
one or two bottles, thrown aside their trumpets, being  
made perfectly well. It has cured cases of ten, fifteen,  
and even thirty years standing of deafness.

## CARLETON Condition Powders for Horses and Cattle.

The changes of weather and season, with the change of  
use and feed, have a very great effect upon the blood and  
sinuous fluids of horses. It is at these times they require  
an assistant to nature to throw off any disorder of the  
fluids of the body that may have been imbibed, and which,  
if not attended to, will result in the Yellow Water,  
Hayfever, Worms, Boils, &c. All of which will be prevent-  
ed by giving one of these powders, and will cure when  
disease appears, if used in time. They purify the blood,  
remove all impurities and fever, loosen the skin, cleanse  
the water, and invigorate the whole body, enabling them  
to do more work with the same feed. The action of  
these powders is direct upon all the secretory glands, and  
therefore has the same effect upon the Horse, Ox, and all  
all Herbivorous animals—all diseases arising from or  
producing a bad state of the blood, are speedily cured by  
them.

Remember and ask for CARLETON'S CONDITION  
POWDERS, and take no others.  
Sole Wholesale for the Proprietors in Nova Scotia

## TO THE PUBLIC. An Effectual and Never-failing Cure or Erysipelas.

THE SUBSCRIBER has for some time prepared a medi-  
cine for the cure of ERYSIPELAS, and ERECTIONS OF  
THE SKIN, which has not only immediately relieved all  
who have used it, but effectually cured them. She is  
desirous that those who are afflicted with what, in many  
cases of this disease is considered incurable, and that all  
who are suffering from its attack, may have the benefit of  
the WONDROUS POWER OF HEALING of this Medicine, and  
removing all diseases of ERYSIPELAS or Salt Rheum.

MRS. C. BERTHAUX, Nictaux.

It may be procured from any of the following  
AGENTS:  
John Naylor, Esq., Halifax.  
Andrew Head, Esq., Annapolis.  
Dunnet Moore, Esq., Kentville.  
William A. Tupper, Esq., Wolfville.  
Elihu Smith, Esq., Barrington.  
T. R. Palfrey, Esq., Liverpool.  
B. Fleet, Yarmouth.

CERTIFICATES.

Of persons who were suffering from severe attack of  
Erysipelas, who had tried the many remedies which are  
usually prescribed from which they found no relief; but  
on applying Mrs. BERTHAUX'S Medicine were effectually  
cured.  
This is to certify, that I have been afflicted with the  
Erysipelas, or the Salt Rheum, as the Doctors call it, for  
several years. My hands were frequently so diseased, that I  
could make no use of them. I employed several physi-  
cians, but to no purpose as my suffering only increased. I  
applied Mrs. BERTHAUX'S Medicine for a short time and  
was soon cured of every vestige of the disease. The thank  
feeling which I felt, on the long and painful disease being  
removed, was much more than I could express. After  
three years from the time when I used the Medicine, I  
was threatened with a relapse or return of the disease. I  
used the Medicine and the disease disappeared. From  
that time to the present, I am perfectly free from all  
symptoms of Erysipelas or Salt Rheum. I therefore  
heartily recommend it to all who are similarly afflicted,  
as a speedy and effectual remedy.

ANN S. WHELOCK, Nictaux.

The following testimonial in favour of the efficacy of  
this remedy has been received from William Goodwell  
Esq., Mayor of the City of Halifax, and is published for  
the benefit of those who may be similarly afflicted.

Halifax May 2nd, 1851.

To John Naylor, Esq.,  
Sir,—The cause of suffering humanity demands, I think,  
that every one who knows anything that will afford relief  
ought to make it public. Believing this to be the fact, I  
hand you the following certificate of what has come under  
my notice, and you are at liberty to use it in any way you  
may think proper.

In March last, my wife was attacked with that dreadful  
disease Erysipelas in her leg. It inflamed and swelled to  
an alarming size, causing excruciating pain, rendering it  
impossible for her to put her foot to the floor, and was fast  
advancing upwards. Her case was our painful task. I  
having read in a newspaper, of the beneficial results  
of Mrs. BERTHAUX'S remedy, I advised her to procure a bot-  
tle for her use, which she did, and the effect was miraculous.  
In the short space of four hours, she was so far reliev-  
ed that we were both quite astonished. She continued to  
recover gradually, and in a few days was quite free, (and  
I believe and hope forever) from that dire distemper.

W. CALDWELL.

## CURE FOR RHEUMATISM.

THE SUBSCRIBER offers to the public a sure and cer-  
tain remedy for all kinds of RHEUMATISM, viz., Acute,  
Chronic, Inflammation, &c. &c. also for Headache, and  
Chorea pueri in general.

Mrs. C. BERTHAUX, Nictaux.

CERTIFICATE.  
This is to certify, that last May I was afflicted with  
acute Rheumatic pains from my head to my feet. I suffer-  
ed everything but death for four weeks. I tried many  
things—I employed a Doctor. But I grew worse and worse,  
—so bad, that it took four persons to lift me off the bed.  
I sent for Mrs. BERTHAUX, she came, and stood with me all  
night—applied her medicine, and to my astonishment and  
joy, the next morning I could stand and walk, and in a  
few days I was able to go about my affairs.

## AMERICAN Temperance Life Insurance Company.

Capital \$100,000.  
HARTFORD, CONNECTICUT.

## MUTUAL COMPANY.

Incorporated by the State of Connecticut, and officially  
approved by the Comptroller of Public Accounts.

## J. Burton, Agent for Nova Scotia.

THE friends of Temperance in the  
above State have recently procured  
a Charter for a Life Insurance Com-  
pany, with a view to insure the lives  
of Temperance men, by themselves,  
that they may secure the advantages  
of their temperance principles without  
being subject to pay losses incurred by  
intemperance.

It is a well settled fact in the history  
of Life Insurance Companies that full  
twenty five per cent. of their losses  
are traceable to the remote or direct  
influence of alcoholic stimulants upon  
the human system. Total abstinence  
men; if insured in common with men  
who habitually use intoxicating li-  
quors as a beverage, of course are com-  
pelled to share in paying losses incur-  
red by this practice. They do not in-  
sure them upon an equality with oth-  
ers.

It is the design of our Company to  
insure none but temperance men, and  
to give them the full benefits of their  
temperance principles, both in the re-  
duced rates of insurance and the full  
earnings of the Company, after de-  
ducting expenses. We have herewith  
appended our table of rates. It will  
be seen that they are twenty-five per  
cent. lower than the rates of most mu-  
tual Companies. Our premiums are  
to be paid in cash, but if upon our  
present rates, it shall be found that  
the establishment of a low rate of in-  
suring inquires as a beverage, shall make  
a greater difference in the value of  
life, than we have estimated, the  
insured receive the full benefit, for  
we propose paying all profits in cash  
annually after the usual fund of \$200,  
000 has accumulated.

In this Company those who are in-  
sured for life, and thus propose to  
share the profits of the business, not  
only have the same security furnished  
by the best conducted Mutual Com-  
panies, but they have the entire earnings  
of the Company at low rates, after  
deducting expenses, and in addition  
to this, every dollar of the capital  
(\$100,000) is liable for the payment of  
losses. This, we believe, affords abun-  
dantly security to the public, and pre-  
sents decided advantages over any  
other company in the country, for  
there is none to our knowledge, orga-  
nized upon this plan.
