THE GOOD MAXWELL

Everywhere the conviction is steadily growing that there is nothing to match the good Maxwell value, at anything like its price.

In comfort, stamina, and beauty, the good Maxwell more than answers all practical motoring requirements.

Cord tires, non-skid front and rear; disc steel wheels, demountable at rim and at hub; drum type lamps; Alomite lubrication; motor driven electric horn; unusually long springs.

Western Motors, Ltd.

1146 Georgia St. W.
Vancouver, B. C.

Manager,
Hector MacKenzie.
