

GREAT DISCOVERY!

Remarkable Cloth that won't wear out or tear! Samples free by post to any reader.

Just fancy, readers! Whether a blacksmith, carpenter, engineer, laborer, farmer or clerk, could you by solid, hard, grinding wear, every day in the week—not just Sundays—wear a small hole in a \$2.35 pair of Pants or a \$6.50 Suit in six months? Could any of your boys wear a small hole in a \$2.27 Suit in six months? Remember, six months of solid grinding wear and tear—not just Sundays—but every weekday and Sundays, too! If any reader can do this, he can get another garment free of charge!

A remarkable new untearable cloth has been discovered by a well-known firm in London, England. These new Holeproof Cloths are amazing! You can't tear them, you can't wear them out, no matter how hard you try. Yet, in appearance, they are exactly as finest tweeds and serges sold at \$20. But the price is only \$2.25 for a pair of Trousers, Breeches \$2.60, and for a well-made, smart, stylish Gents' Suit, delivered by post, with no further charge whatever \$6.50 only. Boys' Suits from \$2.27. Knickers from \$1.00. Readers are reminded that the above sums cover cost of postage and all charges, and there is nothing more to be paid on delivery. Full particulars of these remarkable cloths, together with a large catalogue of patterns, fashions, and a simple measure chart with which readers can measure themselves at home, will be sent absolutely free and postage paid to all those who just send a postcard to (Agents Dept. 3), The Holeproof Clothing Co., P.O. Box 777, Winnipeg. The firm's London address is 55 Theobalds Road, London, W.C., Eng., but all applications for samples should be sent to Winnipeg.—Advertisement.

"I Would Not Part with it for \$10,000"

So writes an enthusiastic, grateful customer. "Worth more than a farm," says another. In like manner testify over 100,000 people who have worn it.
