GERMANY BLAMES CZAR FOR OUTBREAK OF WAR

White Book Issued Gives the Negotiations—Russia Ignored Ultimatum—And Threat From The Kaiser.

(By Special Wire to The Courier.)
 BERLIN, Aug. 4—Responsibility for the war in which Germany, Russia and France are now engaged is placed squarely upon the shoulders of Emperor Nicholas in the White Book issued by the German Government, given prominence in the press today. While negotiations looking to a peaceful way out of the difficulties were pending, Russia, it is charged, invaded Germany and a few hours later France opened hostilities.

The German Emperor, it is set forth, in response to the suggestion from London and the appeal of the Russian monarch, was using his influence at Vienna to satisfy Russia regarding the intentions of Austria in Serbia, but in that very hour Russia was mobilizing her army.

After a fruitless appeal to Emperor Nicholas to abandon his war-like preparations and so avert a peril to civilization, the German government on the afternoon of July 31 instructed its ambassador at St. Petersburg to give notice that Germany would mobilize its army and suspend her military measures inside of twelve hours. At the same time France was given eight hours in which to declare whether she would remain neutral in a war between Russia and Germany. The White Book continues:

"The imperial ambassador in St. Petersburg had the communication entrusted him to M. Sazonoff, the Rus-

sian Minister of Foreign Affairs, at midnight on July 31. After the term set for Russia had expired without the receipt of an answer to our question, his majesty the Emperor at 5 p.m. on August 1 ordered the mobilization of the whole German army and the Imperial navy.

"The imperial ambassador in St. Petersburg had meanwhile received a commission to communicate to the Russian Government a declaration of war in the event that the Russian government should not give a satisfactory answer within the period allotted it. But before a report of the execution of this commission had arrived Russian troops crossed our frontier on the afternoon of August 1 and advanced on German territory. From this time on Russia has furthered the war against us.

In the meantime the imperial ambassador in Paris had placed the inquiry with which he was commissioned before the French cabinet at 7 p.m. on July 31. On August 1 at 1 o'clock in the afternoon the French prime minister communicated an ambiguous and unsatisfactory answer which gave no clear idea regarding the attitude of France as the author confined himself to declaring that France would do what her interests bade her to do.

"A few hours later at 5 p.m., the mobilization of the entire French army and navy was ordered. On the morning of the next day France opened hostilities."

HE HAD TO CHANGE CARS AN EVEN DOZEN TIMES

Trains He Was on Were Commanded by the Military, Austrians Seem to be Indifferent as to the War.

LONDON, Aug. 4—Hugh Sutherland, director of the Canadian Northern Railway, arrived here from Bohemia yesterday. He told the correspondent that he arrived in Vienna on Monday last and went 400 miles north-west of the Austrian capital into Bohemia where mobilization was going on quietly for a few days prior to the official announcement.

Leaving for London on Thursday he was obliged to change cars ten times on Thursday night on account of having gone aboard trains which were immediately commandeered by the military authorities for the transport of troops. As the soldiers got on the train Mr. Sutherland was told to get off. He did so, and went aboard the next train which arrived, traveling until he was again ordered off. This happened ten times before he succeeded in getting out of Aus-

tria. He said he found absolutely no enthusiasm for the war in the Dual Monarchy, but in Germany he found the contrary, the people shouting for the war from the Bohemian border to the Belgian line.

Mr. Sutherland passed through a thousand miles of beautiful harvest lands, where the crops were in fine shape, but beyond an occasional woman or child they were absolutely deserted, with nobody left to save them. This loss will be tremendous. Near Prague he witnessed an incident of the severity of the war. A detachment of Serbs was being put aboard a train. Some of the soldiers learned that their destination was the Russian frontier to fight against their Slav brethren. Four of them refused to get aboard the train. They were taken out and shot in view of their comrades. This put an end to defections.

IF BACK HURTS USE SALTS FOR KIDNEYS

Eat Less Meat if Kidneys feel like lead or Bladder bothers.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
