BUY VICTORY BONDS.

Victory Loan Promotes the Farmers' Interests

The Victory Loan and the Farm go together.

Canada's surplus farm products could not be sold without the Victory Loan.

If this surplus could not be sold, prices in the home market would go to pieces.

It is one thing to raise farm products, but it is another thing to sell them for cash.

A large proportion of Canadian farm products could not be sold for cash, if it were not for the Victory Loan.

The farmer who invests in Victory Bonds thus helps to protect his own business.

LEND TO YOUR COUNTRY.

MANY YOUNG FARMERS HAVE GONE OVERSEAS.

From the farms of Canada thousands of young Canadians have gone overseas. These boys have acquitted themselves splendidly. Now when the call comes for 500,000,000 to support the army, and keep the business of the Dominion going on a war basis, the people in the homes from which these boys have gone will not be lacking.

Victory Loan Sole Topic for Canadians During Next 10 Days

The Victory Loan must monopolize the attention of Canadians during the next ten days. There will be lots of time after the campaign to speculate on the prospect of peace. In the meantime the call comes to all—"Carry on." The people in the rural districts especially should realize this.

Canadians at home must take their cue from Foch. When he says "Let up," they may be justified in doing so. But while the men are overseas before the boys overseas can be brought back. Probably 450,000 of them have gone over, and good judges say that they cannot be brought home under 15 months. In the meantime they must be kept.

Be it also remembered that a large proportion of the Victory Loan money will go to finance the sale of Canadian products abroad. The farmer is dependent on it for the sale of his wheat, beef, pork, butter, cheese and eggs to Great Britain.

So if the Canadian Army is to be maintained, and the farmers, manufacturers, mechanics and business people generally are to be kept busy the \$50,000,000 wanted must be raised.

EVERYBODY'S DUTY.
 Canada expects every Canadian to do his or her duty in this campaign. Half a billion dollars must be raised and there are only ten days more to do it in. The money can and must be raised. Thought of failure cannot be tolerated. The least that those who stay at home can do is to buy all the Victory Bonds they can and induce others to do so.

BACK UP THE BOYS.
DOUBLE UP.
 "Double" is now the popular slogan is the campaign. Throughout the Dominion it is sweeping in a way that bids fair to accomplish surprising things. It is the spirit that wins, for it is the spirit that characterizes the boys at the front. Double up! The cause is a good one. It is worth every dollar we can lend.

Take a glass of Salts if your Back Hurts or Bladder Bothers. The American men and women must guard constantly against kidney trouble, because it is too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative function clogs and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel the lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headaches or dizzy, nervous spells, acid stomach, or you have rheumatism, when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will thank you. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.
