A Harley Davidson Surprise the New "Master 17"

For 1917 the twin cylinder Harley-Davidson models have a NEW MOTOR. We want you to see this new motor PERFORM.

A giant in power, this motor has the "jump," "punch," "getaway" and that extra burst of speed that will make it THE TALK OF THE TRADE.

"Pop" is the one word which best describes its performance.

Such SNAP has never been built into a motor before.

Showered down on a hill it will pull, AND KEEP ON PULLING.

We believe this motor will out-run and outpull any other stock motor.

We make this statement because the Harley-Davidson has won every big race of the past season and each one of these contests taught the Harley-Davidson engineers something new about motor performance, and all of this experience has been built into the 1917 twin motor.

STRATEGY IN RETIREMENT

The war is producing a wonderful change in opinion in Germany since the opening of the war. German ideas of success has been in the strategy of winning cities, towns and territory. Now this is all changed and we are told that strategic retirement is now the published German ideal of success. The exalted offensive has given way to organized retirement, and incidentally it allows of thousands of the best troops being captured unharmed by the Canadians, British, French, etc. The nation at home will accept a certain amount of this strategic retirement but it is already building trouble for the Kaiser and his advisors.

"COWARD" CANADIANS

Our Canadian boys who shirked their duty to Empire and made tracks for the United States to escape military duty are likely to receive prompt attention. They may find it harder to escape duty now. It has been announced at Ottawa that under the arrangement made with the United States by the British Government conscription of these Canadians who are of military age and qualifications and fled, and British subjects will be the first called to duty. Ottawa claims to have the names and addresses of these, and has supplied the British Government with the same.

The proposal that no place be made with the Hohenzollerns, or anyone representing them, is cropping up more and more frequently in British and American speeches and newspapers. Germany will not make peace until its armies have been broken. When that comes to pass the Kaiser may lose his hold upon the nation. But it is the German people who must be beaten, the nation in arms. Had not their hearts been in the war the world never would have seen three years of fighting. The Germans enthroned force, and came to believe they could beat the world by a ruthless application of it. Only complete military defeat will cure them. When they are so cured they will have done with autocracy.

KINGS COUNTY DISTRICT MEETING

The Kings County Baptist District meeting was held at the Kentville Baptist Church opening on Monday evening. Dr. H. T. DeWolfe of Acadia gave a very able paper on the Rural Church Problem and it brought forth animated discussion. Quite a large number were present.

Monday morning business was transacted including letters of sympathy in their illness to be sent to Dr. A. Chipman and wife, Revs. M. P. Freeman and I. W. Porter.

Mr. Stanley Robinson of Canning presented a most interesting paper on "If I were a Minister." This presented thoughts to the clergy and was discussed at some length.

At the afternoon session Rev. G. B. Milberry spoke on "A Woman's Opportunity in the Church of Today," and Rev. G. B. Hudson on "The Greatest Need of our Rural Sunday Schools and How to Meet It." Both papers were of special importance.

The Woman's Meeting at 3.30 was most interesting. The address by Mrs. Dr. Smith who returned lately from China was a rare treat.

The evening programme contained two addresses by clergy of leading churches in the County. Rev. W. A. Robbins, Berwick, spoke on "How We Raise our Budget and Rev. N. A. Harkness on Evangelism. Both are eloquent speakers and ably presented their themes.

20TH BATTALION AT ALDERSHOT

The 20th Battalion from Winnipeg arrived at Camp Aldershot this week and are now quite comfortable in camp. They are a fine well-drilled lot of men. But little is known of them as yet as one or two cases of sickness en route compelled the quarantining of the Battalion. It is expected that very soon they will have a clean bill of health. Another battalion from Amherst arrived last evening.

Ottawa, April 17—Though no official figures are available, it is understood that officers' casualties already received, dating back to April 8, number more than 400. These include over 200 lieutenants wounded. Most of these casualties occurred in the first few days of the Canadian drive. The total to date is probably very much greater.

AVONPORT

Miss Gracie and Katherine McLatchy, Hantsport, spent Sunday with their grandfather, Mr. Robert Shaw.

Miss E. Henderson teacher at Brooklyn, spent the week-end with her parents of this place.

Mrs. Robert Shaw spent Sunday with her son, Mr. Lloyd Shaw at Wolfville.

Miss Jessie Dow, teacher at Wentworth spent the week-end with her parents of this place.

Mr. Burpee Shaw of Falmouth is spending a few days with his daughter, Mrs. Leverett Fuller.

Miss Madge Daniels of Marlock is visiting at Mrs. David Fuller's.

Word was received here on Tuesday of the death caused by exposure at sea of Mr. Jack Smith, resident of this place. He was a cook on the American schooner "Hattie H. Barbour," which was lost on a voyage from New York to St. John coal laden. Much sympathy is expressed for Mrs. Smith and family over the loss of her husband.

L. E. Shaw has reopened his brick works.

Private Gay Torrie, who returned to his home at Digby suffering from wounds received in France has been visiting his grandfather Mr. J. W. Lawrence at Hantsport.

On Thursday evening next, April 26th, Prof. Hannay of Acadia University will deliver a lecture in the Opera House, Wolfville on Oxford and Cambridge Universities. This lecture will be illustrated with over 50 lantern views. Admission 25 cents.

Mr. H. H. Blanchet, of Toronto is a guest of Hotel Aberdeen and is greatly interested in bonusing of wooden and steel shipbuilding.

SEED WHEAT

Arrangements were made by the Kings County Farmers' Association whereby 400 bushels of Red Fife and Marquis wheat for seed is being held by the Woodworth Mills, Berwick, N.S., for Kings County Farmers at the reasonable price of \$2.75 per bushel. Order your supply early as later purchased seed wheat will be much higher. Indications are that flour will steadily advance in price and the only safe plan to insure a wheat supply is for Kings County to grow the wheat required for their own use.
