What Will Canada's Answer Be?

OVER in the sodden trenches amid the bursting shells and the roar of artillery where Canada's boys are fighting and dying.

—they are waiting for Canada's answer when the sale of Victory Bonds begins.

CANADA'S soldiers expect that we at home will put up the millions they need to keep on fighting, —the millions they must have to win Victory for freedom, home and Canada.

What answer will Canada make? What answer will you make?

Shall it be said that Canada spares not her sons from the sacrifice of battle, yet withholds her dollars to give them victory?

Rather will it be said that Canada once more, for the fourth time in three years, cheerfully puts up her millions upon millions for the cause of freedom, righteousness and justice.

Canada's answer must be,

—that the Canadian hand to the plow of Victory holds steadfast and firm.

—that Canada is in deadly earnest when she says the "last man and the last dollar."

That is the answer Canada will give to our boys in the trenches, our kinsmen in Britain, and our Allies everywhere.

That is the answer we will give to the Huns who thought and said that Canada would desert the Empire before she would fight or pay.

Every bond you buy is an answer. Let the millions of answers from Canada's loyal men and women make a chorus of Victory to ring around the world.

Distinction in Clothes

THERE is a distinctive quality created by good clothes coat he wears," is a saying that evidences the natural that means much to a man. "Don't judge a man by the appraisal that springs up naturally within us. A bankrupt business man bought a new suit with his last few dollars because the moral effect of good clothes is a great factor in civilized life. He knew it—and to-day, he is a successful man.

For years and years, Kehoe's clothes have been the standard for business men, school teachers, clergymen, doctors, and others.
