

HOW LONG WILL THE WAR LAST?

The War Against Health Is Quickly Ended By 'Fruit-a-Tives'

MRS. DEWOLFE

"It is with great pleasure that I write to tell you of the wonderful benefit I have received from taking 'Fruit-a-Tives'. For years I was a sufferer from Constipation and Head-aches, and I was miserable in every way. Nothing in the way of medicines seemed to help me. Then I finally tried 'Fruit-a-Tives' and the effect was splendid. After taking one box, I feel like a new person and I am deeply thankful for relief from those sickening headaches."

Mrs. MARTHA DEWOLFE.

"FRUIT-A-TIVES", the medicine made from fruit juices, has relieved more sufferers from Headaches, Constipation, Stomach, Liver, Kidney and Skin Troubles than any other medicine.

50c a box, 6 for \$2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-Tives Limited, Ottawa.

Her Little Boy.

Cathryn Cafe, Ottawa.

I've a little soldier near me
Getting ready for the fray,
I hear him in the nursery
Calling bugles every day.
He can make his paper bullets
Piled up ready to destroy,
But he couldn't kill a spider,
He is such a little boy.

He watches at the window
For the "Soldier-boys" to come,
And he makes the house resound
With the tap-tap of his drum.
He's the cutest thing in khaki,
With a big sword for a toy,
But he cannot go and leave me,
He is such a little boy.

Then I think of other mothers—
White-faced, stricken with despair,
Whose big sons turned to warfare,
Just as my own kiddie there.
But I must be patriotic,
So I hide my wicked joy
And thank God that my darling
Is such a little boy!

FEELS LIKE A NEW WOMAN

As Lydia E. Pinkham's Vegetable Compound Dispelled Backache, Headaches and Dizziness.

Piqua, Ohio.—"I would be very grateful if I failed to give Lydia E. Pinkham's Vegetable Compound the praise it deserves, for I have taken it at different times and it always relieved me when other medicines failed, and when I hear a woman complain I always recommend it. Last winter I was attacked with a severe case of organic weakness I had backache, pains in my hips and over my kidneys, headache, dizziness, lassitude, had no energy, limbs ached and I was always tired. I was hardly able to do my housework. I had taken Lydia E. Pinkham's Vegetable Compound on one other occasion, and it had helped me so I took it again and it has built me up, until now I feel like a new woman. You have my hearty consent to use my name and testimonial in any way and I hope it will benefit suffering women."—Mrs. ORETTA TYNAN, 421 S. Wayne St., Piqua, Ohio.

Women who are suffering from those distressing ills peculiar to their sex should not doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

OHIO WOMAN'S WISH

For Tired, Weak, Nervous Women

Bellefontaine, Ohio.—"I wish every tired, weak, nervous woman could have my life that did me so much good as that I spent for Vinol. I was weak, tired, worn out and nervous, and Vinol made me strong, well and vigorous after everything else had failed to help me, and I can now do my household work with pleasure."—Mrs. J. P. LAWSON.

We guarantee Vinol, our delicious cod liver and iron tonic, for all weak, run-down, nervous, debilitated conditions. A. V. ROAD, Druggist, Wolfville, N. S.

Her Vision.

She was the daughter of abject; Even experience could see that as she wandered up and down the streets of the town, desperate, impelled to go on by a force too strong for her to resist. She trod the pavement, yet loathed the necessity and hated herself for her compliance. She had only to look forward to the jail or the hospital, yet there was always the river. Had it come to that? Was there nothing else? She lifted her eyes from the stone walk as hard as the heart of the world, and found herself opposite a brightly lighted building. She leaned against the door. From within came the sound of music, the strains of a hymn, words of prayer. The light streamed through her face from the stained window. This was a church of God. Stained window, stained woman, confronting each other, in the night!

There was no God for her. There might have been once, but she had committed the unpardonable sin against society and society was God. There was no place for her anywhere, save the jail or the hospital or the river. That last was the best. She turned away. In her pathway stood a figure seen dimly in the darkness. It stood in the shadow beyond the broad light from the painted window. There was something strangely familiar about it. She glanced up at that window. Had the figure there stepped down and embodied itself vaguely on the walk before her?

The street was deserted. She had thought it not a good place in which to ply her trade. She made a step forward and stopped. What was that? Who was this? As she started the outline drew nearer. A man shrouded strangely stood before her. He was headless and in long draperies. He was insensible to the cold, it appeared, in which she shivered. She put out her hand and something folded it back upon her breast. She opened her lips and something seared them. As she watched the figure slowly moved. It bent forward and went slowly down on its knees on the sidewalk. The white hand began to trace strange, mysterious, unknown, incomprehensible characters upon the pavement. She watched with abated breath, some memory of another sinful woman of whom she had heard in childhood coming back to her prostrate mind. Yes, and there behind the figure stood others, hateful and hating, very violent, passionate men.

Gifts That Girls Will Enjoy

Collar and Cuff Set for Christmas

Quaker collar and cuff sets of organdy are easily made and among the most fashionable of dress accessories. They make charming Christmas gifts, and may be made at small cost.

Sheer materials, in cotton or linen, are used to make them, with hem-stitched, narrow lingerie laces or embroidery in small sprays forming the decorative features. A quaker set edged with cluny lace is shown in the picture.

Gauze Bag Holding Puff Balls

Gauze bags, made to hold individual powder puff balls, are among the popular new fads that make lovely Christmas gifts. They are made of chiffon, silk muslin or gauze, gathered over a silk-covered embroidery hoop. Hangers of light satin ribbon are fastened at each side of the hoop with a rosette.

The balls, of absorbent cotton, are finished with tiny bows of baby ribbon matching the hangers in color. As soon as used they are thrown away.

Flowered silk muslin makes pretty bags, with ribbon hangers matching the flowers in color. The little bows are sewed to the balls. The bags hang at the side of the dressing case for the convenience of guests.

Calendar and Hatpin Holder

An attractive calendar for a girl's room and a hatpin holder are shown in the picture above. The hatpin holder is merely a small pasteboard box covered with moire-ribbon with tiny brass buckles, handle and straps of a narrow ribbon. It simulates a golf bag and a hatpin imitating a golf stick goes with it.

The calendar consists of a circular piece having two small feet on opposite ends, cut from a sheet of celluloid, two small oblong openings, one long or than the other, arc cut opposite the feet.

The face of the calendar is decorated with a painted holly wreath and gilt lettering within it.

Two smaller circles swing on a pivot back of the calendar's face, with the names of the months on one and numerals from 1 to 31 on the other. The tiny pivot is concealed by the lettering.

The calendar is supported like an easel by a strip fastened on at the back.

WORRY Upsets the NERVES

Far more women than men suffer from nervous disorders. And little wonder, when you come to think of the thousand causes of worry and anxiety which come daily to the woman in the home.

Particularly to those who are nervously energetic the many demands of society, the numberless details of home life, and the exacting attention required by the children, sooner or later wear on the nervous system.

You begin to worry, and worry upsets the nerves. The more irritable the nerves become the more you worry. And thus is formed a vicious circle, and there is no end to your troubles. Since the nervous system holds in control all the functions of the body there soon arises a thousand little ills to make life a burden.

Nervous headaches, spells of indigestion, irritable temper and attacks of the blues tend to make you feel miserable. You cannot rest by day or sleep at nights, and what reserve force you have rapidly disappears.

It may not be convenient for you to get away for a change and a rest, but there is within your reach Dr. Chase's Nerve Food, and there never was found a nerve restorative which could be compared to it.

Use Dr. Chase's Nerve Food regularly and you will soon be able to take a cheerful view of life, enjoy your daily work and forget to worry. For with good health comes new energy and strength, new hope and courage, happiness and success.
