NOVA SCOTIA TOURIST ASSOCIATION

Valley Section Completes Organization

The Tourist Committee of the Provincial Legislature at the last session, arranged for the organization of this Province into a Provincial Tourist Association. This was accepted by the Local Government, which voted a sum of ten thousand dollars for the work and it has undertaken to provide a chairman for the Province and also an organizer and publicity agent. The chairman has already been appointed in the person of Mr. J. F. O'Connell, of Halifax, and A. J. Campbell has been appointed Publicity Expert and Secretary.

The Counties of Hants, Kings, Annapolis, Digby and Yarmouth have been set apart as one of the five zones of the province and in these counties several meetings have been held and a temporary organization completed. The representatives of the different parts of this valley section are very energetic and enthusiastic in carrying forward the work and last week Mr. O'Connell, the chairman, came to Kentville to start the work in operation.

A meeting was held in the office of the President, Mr. A. E. McMahon at 4 p. m. Wednesday. There were present besides Mr. McMahon, the secretary, Mr. H. M. Chase, Messrs. E. Graham, Wolfville; A. D. Payzant, Canning; G. P. Raymond, Berwick; C. G. Yeaton, Hantsport; F. E. Cox, Middleton; F. G. J. Comeau, Halifax; G. E. Graham, T. Weaver and H. G. Harris, of Kentville.

Mr. O'Connell spoke of the work and purposes of the Government and how the different sections or zones should organize and carry forward the work. The Government would undertake a publicity campaign for the Province and each section should be ready to organize within its bounds and carry on its work. Mr. O'Connell stated that it was not expected that a great number of tourists could be brought here this year as our present transportation facilities and hotel and other accommodations were not sufficiently organized for that purpose. But a good increase in our tourists could be brought about and particularly Nova Scotians residing abroad could be induced to return to visit their home land and we could mature plans for a large influx next year.

The meeting then decided to complete its organization and the following permanent officers were elected:

President—A. E. McMahon, Kentville.
 Vice-President for Yarmouth—Seymour Baker.
 Vice-President for Digby—H. B. Short, Digby.
 Vice-President for Annapolis—F. E. Cox, Middleton.
 Vice-President for Kings—Edson Graham, Wolfville.

ACADIA INTER-CLASS TRACK MEET

An inter-class track meet was held on the college campus on Tuesday afternoon of last week. The weather was cloudy, the track in excellent condition and the competition keen, so that all the sports showed good records. Morrison was the highest individual scorer of the day, capturing four first places. The points obtained on the basis of five for first, three for second, and one third place, were as follows: Engineers, 29; Juniors 25; Seniors, 24; Freshmen, 11; Sophomores, 1. Suitable prizes were donated to the winners of first and second places in all events by the merchants of Wolfville.

Summary:
 100 Yards—1st, Morrison; 2nd, Clarke; 10 secs.
 High Jump—1st, MacCreedy; 2nd, Anthony, 5 feet.
 Broad Jump—1st, Morrison; 2nd, Anthony; 18 feet.
 220 Yards—1st, Morrison; 2nd, Clarke; 25 1-5 secs.

 Pole Vault—1st, Hirtle; 2nd, Wigmore; 8 feet, 6 ins.
 Mile Run—1st, Chipman; 2nd, Parks; 5 min., 5 secs.

Along about this time of the year there are about two weeks in which the man of the house does his annual stunt of preparing for the best garden in the community.

Vice President for Hants—H. B. Burdick, Windsor.

It was resolved that the Secretary, Mr. H. M. Chase, be the representative of this Valley Section on the Provincial Executive.

The Dominion Atlantic Railway had appointed Mr. F. G. J. Comeau as its representative on the Provincial Executive and Mr. O'Connell will see that the other four sections of the Province are organized and representatives appointed and a meeting of the Provincial Executive held at as early a date as possible.

A suggestion of Mr. A. D. Payzant to use the Radio Broadcasting Station at Schenectady, N. Y., to call attention to our province, its good roads, excellent sport and beautiful scenery and climate was most favorably considered.

Mr. O'Connell made an excellent impression and expressed his sincere thanks for the enthusiasm displayed and the encouragement he had received in his new line of effort.

The steamboat, railway and hotel accommodations were fully discussed.

About Running Gear

If the "old boat" gets rattly up front do not procrastinate—repairs cost less than funeral expenses. Go over the front hubs, spindles, tie rod, and steering rod connections. You may crash through a store front or ram another car if you delay.

Even if your car is in fine shape crashes are likely to occur. Insurance will make good your losses, both for damage to your car and to the person or persons of others if involved in a mixup.
