

TORTURED BY TERRIBLE ECZEMA

Suffered Three Years Until She Tried
"FRUIT-A-TIVES"

DAME PETER LAMERRE

Pointe St. Pierre, P. Q.
"I think it my duty to tell you how much your medicine has done for me. I suffered for three years with terrible Eczema. I consulted several doctors and they did not do me any good."

Then, I used one box of 'Soothe-Skin' and two boxes of 'Fruit-a-tives' and my hands are now clear. The pain is gone and there has been no return. I think it is a marvellous cure because no other medicine did me any good and I tried all the remedies I ever heard of, without benefit until I used 'Soothe-Skin' and 'Fruit-a-tives'."

'Fruit-a-tives' cooled the blood and removed the cause of the disease, and 'Soothe-Skin' completed the cure."

What's a Guarantee?

Our idea of a guarantee is that the manufacturer who gives one—which hasn't any tags and loopholes—believes in his product.

So much so that he stands ready to make good any loss suffered by the purchaser through defective material or workmanship.

It's mainly because of the guarantee that goes with them that we are selling and recommending Ames Holden "Auto-Shoes."

Of course, we know they give the cheapest mileage too—that they are dependable cars for any make of car, anywhere. But it's the guarantee that we talk about most. It's the straight and clean-cut, without time or mileage limits. It shifts our responsibility on to the manufacturer and he lives up to every letter of it. Come in and let us tell you about the guarantee that goes with
