At the battle of Omdurman, Sept. 2, 1898, General Kitchener utterly defeated the forces of the Khalifa with tremendous slaughter, but the Khalifa, with his harem and Osman Digna, the most famous of the Soudan generals, escaned and have since been fugitives. There may be some further trouble for the British in the Soudan owing to the fact that Osman Digna has escaped. He is a man of undoubted courage and remarkable military skill.

They have a ment of Egypt in Eastern Soudan and marvellous reputation for curing Heart Disease, Dropsy, Bladder and Urinary Diseases. That anyone could be deceived into taking another preparation for Dodd's Kidney Pills is on first sight incomprehensible, in view of the reputation they enjoy.

This reputation, however, is just the that reputation to push their own nostrums on the public, Read what Mr. Alfred Miller, of Shubenacadie, Nova Scotia, writes about his experience with

imitations of Dodd's Kidney Pills. "Having been troubled with a weak back and suffering this long while with severe pains occasioned by some kidney trouble, I purchased two boxes of a pill similar in name to Dodd's. I had determined to get some of Dodd's Kidney Pills, but when I asked for Dodd's I was presuaded to take this other remedy. I used them with absolutely no effect. I was about to give up in disgust when it struck me I'd better try the genuine article. I then got a box of Dodd's Kidney Pills, refusing to take any others, and that first box cured me completely.
