PALE CHECKED WOMEN TOLD ABOUT RESTORING A ROSY COMPLEXION

A few years ago the girl with pale, drawn cheeks scarcely knew what to do in order to restore her fading appearance. At that time there was no blood-food medium made that really would put color and strength into systems that were more or less worn out.

To-day it's different. The blood can be quickly nourished, can be made rich, red and healthy. All you have to do is take two Ferrozone Tablets with a sip or two of water after meals. The effect is almost magical.

Mothers, look at your children. Are they ruddy and strong—do they eat and sleep well, or are they pale, weak and anaemic?

FERROZONE will rebuild them. Take your own case—is your blood strong and rich? Have you that old-time strength and vigor, or are you somewhat under the weather?

FERROZONE will supply the strengthening elements you require. It is a blood-former, a nourishing tonic that makes every ailing person well.

FERROZONE is a marvellous remedy, it contains in concentrated form certain rare qualities that especially fit it in cases of anaemia, poor color, thin blood, tiredness, and loss of weight.

Every day you put off using FERROZONE you lose ground. Get it to-day, sold in 50 cent boxes by all dealers, or by mail from the Catarrh-ozone Co., Kingston, Ont.

VISCOUNT GREY PLEASED WITH OUTLOOK FOR LEAGUE

London, May 14.—Viscount Grey, of Falloden, former Secretary of State for Foreign Affairs, says in an interview that he is delighted with the amended covenant of the League of Nations, having feared "that much less might have been accomplished at the Conference."

Viscount Grey considers the key to the whole organization is the annual meeting of the nine Foreign Secretaries, represented on the Council. "So long as that meeting is regularly held and wisely inspired," he says, "so long may we confidently hope the peace of the world will be secure."

He believes that armaments will diminish as the League becomes strong and vital and produces a sense of security, and that eventually those who now fear it does not go far enough and those thinking that it goes too far will both be satisfied. Earl Grey has the greatest confidence in Sir Eric Drummond, the First Secretary-General of the League.

CHARGE OF KIDNAPPING

London, Ont., May 14.—A despatch received here from Daniel J. Dion, a former resident of this city, and an employee of a local tannery, has been arrested in Boston on a charge of kidnapping an eleven year old child. The little girl was discovered by the police some days after her disappearance, and she furnished information which resulted in the apprehension of Dion. He has been released on \$2,000 bail to appear for trial in June. Dion was recently discharged from the Canadian army.

MANAGER DOOIN DIS- CHARGED FOR PLAYING BASEBALL ON SUNDAY

Reading, Pa., May 14.—Charles Dooin, playing manager of the Reading (International league) baseball club, accused of playing ball on Sunday, May 4th, was discharged in a local court today because of insufficient evidence.

The prosecution had been brought at the instance of the Reading Ministerial Association.

The prosecution will make further efforts to stop baseball here on Sundays.

NEW FALLS (ONTARIO) CHAMBER OF COMMERCE ELECTS ITS OFFICERS

Niagara Falls, Ont., May 14.—The council of the newly organized chamber of commerce held its first meeting last night and elected these officers: President, M. R. McElmrum; vice president, T. F. Battie; treasurer, Miss Belle Benson.

A committee comprising W. H. Arison, F. H. Leslie and President McElmrum was named to report next Monday night on the selection of an executive secretary.

A CHALLENGE

They had been talking as they walked. She had remarked pathetically: "Oh, it must be terrible to a man to be rejected by a woman!"

"Indeed, it must," was the response.

Then, after a while, with sympathetic ingenueness, he exclaimed: "It doesn't seem to me that I could have the heart to do it."

And there came a silence between them as he thought it over. —From Pearson's Weekly.

GENERAL ALLENBY TO GO TO SYRIA

Cairo, May 14.—Two things here indicate the way events are going. General Allenby has departed for Syria, and there has been a removal of all restrictions on travel, together with the resumption of normal train service in Lower Egypt, except in the canal zone, where permits are always required. Major-General Sir L. O. F. Stack has taken charge as Sirdar of the Egyptian army and as Governor-General of the Sudan.

A GORY ORDER

A young woman who was not familiar with the language of railroad men happened to be walking near a depot where a freight train was being made up. As the train was being backed up, one of the brakemen shouted: Jump on her when she comes by, run her down beyond the elevator and cut her in two and bring the head end up to the depot.

Screaming "Murder!" the young woman turned and fled from the spot for dear life.

47,500 M.S.A. MEN OVRSEAS.

Ottawa, May 14.—In answer to a question by W. D. Euler, in the Commons, the Minister of Militia stated that 47,500 drafted men actually went overseas. The number of men who volunteered for service after the Military Service Act was passed, other than Class 1 men, who came under the provision of this Act, was 29,007.

POSTIES WILL GET RAISE

Ottawa, May 14.—Hon. A. K. Maclean in the House of Commons Monday stated in reply to Dr. Sheard, of Toronto, that the bill to amend the Civil Service Act would be introduced in the House in about a fortnight and that it had been held up by the work of re-classification.

Hon. Marth Burrell stated that the bust of Sir Robert Borden ordered to be made in 1914 at a cost of \$1,500 was finished and was waiting for the opening of the new Parliament buildings before being unveiled.

DAMPENING RETORT.

First Student—The idea; my nephew is damp!

Second Student—Perhaps that's because there is so much dust on your board.

That is my nephew, said the Old Codger. He married a widow with six children, and, being of a fun-loving disposition, often refers to them as his immediate family.
