PORTER'S HILL

From our own correspondent.
Mr. Adam Faust, Zurich, has purchased his father's 100 acre farm.
Mr. Thos. Boles, who resided on the Bayfield road, west of Varna, for several years, having changed his farm with the Rev. Mr. McConnell, for some property in the vicinity of Komoks. He has taken possession and is moving his effects there.

That a gripe is no respecter of persons is as far as Porter's Hill is concerned. Old and young have been prostrated by its ravages.
The Government drill shed and property on Mr. Pickard's farm, which was auctioned off as Clinton on the 17th, were purchased by Mr. Geo. Cantelon for \$187. It will be missed by the farmers who used it as an impounding shed and the purchaser contemplates removing it.

LEEBURN

From our own correspondent.
Mrs. Carruthers, formerly a resident here, now of Goderich township, visited relatives here last week.
Mr. and Mrs. John Stuart, jr., are visiting friends and relatives in Ripley and Lucknow this week.

Mrs. Fred Horton went to Brucefield this week to see her sister, Mrs. Dixon, who is seriously ill.
A gap was made in the ranks of the bachelors of this section by the marriage of Percy Stewart to Miss Esther Patton, of this township, Thursday of last week. A large circle of friends here extended to them their hearty congratulations and kind wishes for a happy voyage on the sea of matrimony.
CHURCH NOTES.—The annual report of the Sabbath School for 1889 was read at the close of the weekly prayer meeting Wednesday night of last week. Also a statement of the cash receipts and expenses of the Sunday School for the past year has been posted up in the church porch. The task undertaken by Capt. James Bogie noticed by us was started by him Monday of this week.

OBITUARY.—Della, youngest daughter of H. Zoelner, died on Sunday morning last at her father's residence in her seventh year, after an illness of some time. The parents have the deep sympathy of a large circle of friends and neighbors on their recent loss. The funeral on Tuesday of this week was largely attended. Rev. H. Irvine, of the Nile, conducted the funeral services, and M. and P. O. Wald and E. Henderson were the pallbearers.

A very pleasant affair occurred at the residence of Mr. A. M. Noyes, Strathroy, on the 29th ult. The occasion was the marriage of his youngest daughter, Les, to Mr. Douglas M. Keller, of Blyth, a member of the firm of Harrington & McKellar.

The many friends of Mr. Geo. L. Deihl, of Toronto, will learn with surprise and deep regret of the death of his wife, which occurred on Monday morning 27th ult. She was suffering from the prevailing ailment but nothing serious was anticipated, until she took a relapse and died, as stated. She was the second eldest daughter of Mr. Joseph Chidley, of Clinton, and was held in the highest respect. Her remains were interred in Clinton cemetery, on the Wednesday afternoon following, the townspeople showing their sympathy for a former resident by accompanying the remains. Mrs. Deihl leaves one child, and her husband has the sympathy of all in his bereavement.

HE MARCHED WITH SHERMAN TO THE SEA.

Trudged all the way on foot, over mountain and through morn, carrying knapsack and gun, slept on brush bushes to keep out of the mud, caught cold, from the effects of which his friends thought he would never recover. Always too independent to ask his country for a pension, he now says he needs none. He helped save his country, he saved himself! Consumption is lung-rot. For scrofula, in all its myriad forms, the "Discovery" is an unqualified remedy. It cleanses the system of all blood-taints from the source, causes arising, and cures all skin and blood diseases, Salt Rheum, Eczema, and kindred ailments. It is guaranteed to benefit or cure in all diseases for which it is recommended, or money paid for it will be refunded. Sold by druggists.

Butler says: "A gentleman's taste in dress is upon principle the avoidance of all extravagance; it consists in the quiet simplicity of exquisite tastefulness."
My new fall suitings and overcoatings are very attractive, of Casimires, plains and black Cheviots and Worstedes. These goods are carefully handled in their manufacture, are properly cut and trimmed. No city merchant tailor turns out handsemer, better than more durable suits.
Come at once and see the goods and prices.
