Our Great Furniture Sale.

This Great Sale is the culmination of months of preparation. Prices have been cut to the lowest point of the year. We are determined to hold our leadership in giving the people of St. John's the greatest money-saving values in Furniture.

Bargains! Bargains! Bargains!

That's the slogan of the sale. Shrewd and economical housekeepers will hasten to take advantage of these tremendous reductions.

Sale Starts SATURDAY, February 7th, 9 o'clock.

We list a few of the many things offered:

In DINING-ROOM SUITES we have the very best that money can procure. Quartered Sawn Oak, leather seats. Marked lowest prices to clear.

In LOUNGES we have a beautiful selection made expressly for this Sale. Prices from \$7.50 to \$25.00. Be sure and choose one at once.

Our RATTAN UPHOLSTERED LEATHER and WOOD ROCKERS are certainly worth seeing, being strong, durable and very comfortable. Prices cut 20 to 25 p.c.

Our CARPET SQUARES from \$12.50 up are wonderful values for the money. Also WRINGERS, BLACK'S SEWING MACHINES, KITCHEN CABINETS, WRITING DESKS, CHINA CLOSETS, all reduced for this Great Sale to clear. Also our Newly Made SIDEBOARDS, BUREAUS, &c. We can save you 20 to 25 per cent.

We positively lead in BEDS, SPRINGS and MATTRESSES. Having a large selection of Mattresses made for this Sale, we have decided to give special reductions during the Sale. Our Crescent Felt Matress outdoes them all. Made of fine cotton, absolutely sanitary and guaranteed to last a lifetime. Made by expert workmen in our own building. Built (not stuffed) by the only machine in the country. You can rely on getting the best that can be produced at 1-3 off the imported price.

Our NEW HEALTH MATTRESS, 6 in. bands, makes a beautiful bed in itself. Made of cotton and filling. Prices from \$4.50 up; all sizes made to order.

In SPRINGS we have the Ideal, Oxford and Woven Wire, the two latter made in our building. The Ideal is the easiest Spring in existence. It keeps the body in a natural, healthful position, thus overcoming one of the many causes of wakeful nights. It has stood the test of years and guaranteed to last a lifetime. The Oxford is made of Copper Wire and guaranteed to give every satisfaction.

In BEDS we have the Brass. White Enamel and the Black; also the Combination Lath and Spring Bed, the only thing of its kind in the country. We represent sev-

We can repair and build anything from the kitchen to the bedroom. Look over your furniture and see if it does not need recovering or rebuilding. We can do it at lowest prices. We have furnished thousands of happy homes. Let's furnish yours. Goods can be stored until required, so come early and make your selection and we

A UNIVERSAL FOOD

"I have a boy two years old, in per-

"This is an ideal food and evidently

furnishes the elements necessary for a baby as well as for adults. We have

used Grape-Nuts in large quantities

in the process of manufacture; that is,

the starch contained in the wheat and

barley is transformed into a form of

sugar by the same method as this pro-

cess is carried out in the human body.

This is accomplished by the use of

moisture and long exposure to moder-

ate warmth, which grows the distaste

in the grains and makes the remark-

Therefore, the most delicate stom-

ach can handle Grape-Nuts and the

able change from starch to sugar.

One advantage about Grape-Nuts food is that it is partially pre-digested

and greatly to our advantage."

Following Nature's Footsteps.

Grape-Nuts and milk.

Saturday for here.

A Custom The World Over

Thousands of persons who know the advantage of pure, wholesome, easily digestible food have a dish of Grape-Nuts and cream for breakfast.

Grape-Nuts food, made of whole wheat and malted barley, is ready to eat direct from the package. It comes to your table in the form of golden-brown granules—crisp and nut-like—the delicate sweet taste due entirely to grape-sugar developed by the processes of manufacture.

Factories of the Postum Cereal Co., Ltd., and see for them-

selves every step in the making of this famous food.

Every year tens of thousands visit the Pure Food

First the milling of wheat and barley; the mixing and kneading into a sort of dough-formed, for cenvenience in handling, into huge 10-pound loaves; then the baking, slicing, rebaking and grinding; and finally the filling, sealing and packing of the well-known, air-tight, yellow packages-all accomplished without the food being tuoch-
