the Greek Government that, as a result of its negotiations with Bulgaria and Germany, they would take all measures necessary to enforce the treaties safeguarding Greek unity and the Greek constitution. These treaties moreover, are binding on the reigning dynasty, Greece is informed. In consequence the Greek commander of Salonika has been replaced by a French naval officer, and entry to the port has been refused to Greek ships from Kavala. Moreover, an embargo has been placed on Greek ships in French ports.

PREPARED AND EQUIPPED.

LONDON, June 9. A despatch from Amsterdam says that a statement has been issued from the Dutch Army General Headquarters, stating that the army is thoroughly prepared and equipped for any possible war.

SMALL NAVAL ENGAGEMENT

LONDON, June 9. A brief engagement between small British and German warships off the coast of Belgium yesterday, was made known to-day in the following official: On Thursday morning a British patrol force, composed of monitors and torpedo boat destroyers engaged, off Zeebrugge, torpedo boat destroyers of the enemy which, on being fired at by our monitors, returned into port. There were no casualties, and no damage was done to our ships.

GERMANY DENIES STATEMENT.

BERLIN, June 9. It is understood here that there has been published in England, a statement according to a wireless despatch received in London from Berlin, the German Admiralty admit the loss of the Dreadnought Westfalen in the North Sea battle. Authoritative and specific information given to the Associated Press to-day indicates that this report is without foundation, and the Westfalen, which had led the line of the German battleships, returned safely to her home port. A despatch from London last Saturday gave a wireless report that the German Admiralty admitted the loss of the Westfalen, a battleship of 18,602 tons. This has been denied by the German Admiralty.

IRELAND'S TROUBLE.

DUBLIN, June 9. The Irish Unionist Alliance has adopted a resolution to the effect that the present time is inopportune for any large change in the Government of Ireland, as that would encourage the seditious element and imperil Ireland and the Empire. It is absolutely necessary, the resolution says, that martial law will be continued for some time.

DODD'S KIDNEY PILLS CURED WHEN DOCTORS FAILED.

Mr. M. A. Morrison Suffered from Kidney Disease for Five Years—Dodd's Kidney Pills Cured Him. Tarbot, Victoria Co., C.B., June 9th. (Special).—Cured of Kidney trouble of five years' standing and of which three doctors failed to cure him. Mr. Morrison, a well known resident of that place has no hesitation in stating that he owes his health to Dodd's Kidney Pills.

"I was so weak I could not walk a quarter of a mile and to-day I am able to attend to my work as well as I was twenty years ago." Mr. Morrison says. "For five years I suffered from Kidney Disease. I was treated by three skillful doctors but got no benefit."

"Then a friend advised me to use Dodd's Kidney Pills. I went to the druggist and got five boxes. Before I had used four boxes I was completely cured."

"I advise anyone suffering from kidney disease to use Dodd's Kidney Pills. Anyone who wants to know more about my cure has only to write to me and I will tell them all about it." Dodd's Kidney Pills are no experiment. They have been curing kidney disease in all parts of Canada for a quarter of a century. Ask your neighbors about them.

Deep Breathing Important.

Are you tired of hearing about the benefits of deep breathing?

It is a subject as old as the hills, and one of the most important factors of beauty and health.

The woman who takes long walks, the woman who runs, the woman who plays tennis or golf, the woman who swims cannot but breathe deeply, for she will need to do so in order to keep up with all that she is doing. Vocal exercise is good for the same reason. Therefore, to the round shouldered girl, whether this condition has always been there or whether it has come from bending over a desk or typewriter, I would say, take your cue from this fact and go in for any physical exercise that you really like. Rest assured that if you continue

in it for any length of time your round shoulders must necessarily disappear as you breathe more often and more deeply; and as this better aerated blood courses through all parts of your system, not only will the round shoulders be a thing of the past and you will find that in seeking to rid yourself of the round shoulder habit, you have gained immensely in all directions.
