4 H.P. 2 CYCLE \$110.00
8 H.P. 2 CYCLE, 2 CYLINDER \$175.00

A new idea in Motors.

We have secured the agency for the celebrated "Knock Down" Motor Engines. Each part of these engines is made so perfect that it is not necessary to assemble and test the engine before shipment. You save the cost of all that work by doing the work yourself.

The Company guarantees that every part will fit perfectly, and that any man who can read English and use a wrench can set them up.

Why not save a month's wages by setting up your own engine?

Terms: half cash with order, balance on arrival.

WATERPROOF ENGINES.

Here is what you have been looking for, a special Four Cycle Engine, specially fitted with a waterproof ignition system, at a price to meet all competitors.

1 CYLINDER 2 HORSE POWER \$70.00
2 CYLINDER 4 HORSE POWER 130.00
2 CYLINDER 8 HORSE POWER 190.00
3 CYLINDER 6 HORSE POWER 175.00
3 CYLINDER 12 HORSE POWER 240.00
4 CYLINDER 16 HORSE POWER 295.00

These Engines come set up ready for use. Everyone knows that a Four Cycle Engine will produce the same power on much less fuel than any two Cycle Engine made; it will also be much cleaner.

A big advantage in having two or more Cylinders is to reduce vibration and give steady power; a smooth running Engine will last much longer than any other.

THE BASEBALL "BUG."

Some scientific old gentleman said recently that man is by nature a specialist, and that he is capable of doing some one line of work better than any other work he might try. That is the reason, he asserts, that a man becomes obsessed with every new game he takes up, and happens to like, at the start-off.

This old gentleman probably never met a genuine Baseball Bug, and until he does meet one he will not really know what a specialist looks like. The Baseball Bug is the greatest specialist in the world. He can shut completely out of his every day life every interest, every emotion, every ambition, every thought not directly or indirectly connected with Baseball, Baseball, Baseball.

Were the Bug to perish from the game, who would tell the player what to do at the bat and how to field his position? The Bug is usually out of a job himself, but he can tell the player how to hold his position, and does tell him from the stand, not once but fifty times during every game. And if the player happens to make a play in the manner outlined by the Bug, the Bug's cup of happiness is full, if a Bug can be said to be happy. The Bug makes no charge whatever for his professional advice, as there is nothing sordid about his interest in the player. He realizes that the player never had his chance to attend school, and is willing to fill the gap in the player's think-tank from his own reservoir of wisdom. Though he's a Bug and each day shows it.

He lives and dies and never knows it! THE UMPIRE.

They call him yegg-man, bonehead, thief.

They claim he'd rob a baby's bank.

Scientific Cure for Eczema.

New Discovery—Thousands Find Relief.

No scientific discovery in recent years has attracted such wide-spread attention among physicians in this country and throughout Canada as the wonderful D. D. D. Prescription for Eczema.

After years of debate, medical authorities are now agreed that eczema and other skin diseases are not caused in the blood but are caused by myriads of microscopic germs gnawing the flesh just below the epidermis. The patient is perfectly healthy. It is only the skin that is diseased.

Hence, scientists are now agreed that you must cure the skin through the skin. The medicine must be in liquid form in order to penetrate pro-

of all the bores they say he's chief, With poor eye-sight and judgment rank. They say his middle name is Cheat; The only word he knows is "rob." From grand stand, fence and bleacher seat.

They bounce pop bottles off his knob. But tho' they call him crook and cheater, He never pulled such things as these—

He never struck out in a pinch, He never tried to pull A steal of second in game.

With all the cushions full, He never let three perfect strikes You never saw him throw the pill Outside the entrance gate.

You never saw him drop a throw Or boot the ball around the lot And miff a simple fly.

It's true the Ump may be a simp, A crook, a sorry wheeze; But, bo, you never saw him pull Such bush league tricks as these.

When a player guesses correctly it's HEADWORK—when the Ump does it, it's a MIRACLE—when a woman does it it's FORESIGHT—but when the FAN does it, he's just a plain lucky stiff.

The eternal triangle—home player, home fan and the Ump.

DON'T stand on the baseline when Hiltz slides into second. It's rude to delay a guy in a hurry and besides, he wants that base more than you want a spiked shin bone.

DON'T pull an alibi when you boot one. The official scorer doesn't know what the word means.

DON'T try to be a ballyard comedian. Your playing may be funny enough in itself.

NEEDLES and pins, needles and pins, with Quilt on the bases your trouble begins. 240 is Cy Jenkins' phone number and not his age.

"Dikie" Rolis' grandchildren have never seen him play?

ternoon the Sunday School will hold a special service in the Church, which will be a patriotic character. Sermon, Harold Mitchell will occupy the chair, and A. B. Morine, Esq., K.C., will be the speaker. Several items from the school, including a chorus, "Newfoundland," by Mr. Ayre's class, make a very attractive programme. Seats will be reserved for visitors and friends, who will be cordially welcomed.

ST. ANDREW'S PRESBYTERIAN CHURCH.—Rev. Gordon Dickie, M.A., Minister. Services at 11 a.m. and 6.30 p.m. The Minister will preach at both services. Morning subject: "The Modern Home." The Newfoundland Highlanders will parade at this service. In the evening the subject will be: "Tolerated Evils." Strangers will be cordially welcomed.

WESLEY.—To-morrow will be Soldiers' Day at Wesley. A military service will be held at 11 a.m., to which the Methodist Volunteers of the Army and Navy will parade. The pastor will conduct the service, and will be assisted by Rev. W. R. Butler. Returned soldiers and sailors are asked to fall in in the parade. At 6.30 p.m. the pastor will preach, when the needs of fighting men will be under consideration. Everybody is invited to attend.

GEORGE ST. A.B.C.—The Class will unite with the Sunday School to-morrow afternoon for the Patriotic Service, particulars of which you will see above. The members will occupy the Ch. Gallery, and will render a chorus, entitled "Newfoundland," a practice of which will be held at 2.30 sharp in the Class Room. Will all members make a special effort to be present at the time stated. A special invitation is extended to the "old guard." Musicians and sports men will receive a hearty welcome.

A Kidney Remedy

Kidney troubles are frequently caused by badly digested food, which overtaxes these organs to eliminate the irritant acids formed. Help your stomach to properly digest the food by taking 15 to 30 drops of Extract of Roots, sold as Mother Sigel's Curative Syrup, and your kidney disorder will promptly disappear. Get the genuine.

THE HOLIDAY.—A large number of troutmen who went out by Thursday's trains and spent the night in the woods, retraced their steps to town yesterday morning, having been drenched to the skin by the heavy rain during the night. Others, however, who held on secured some fine catches of trout. Altogether upwards of 700 excursionists availed of the holiday to visit the country.

Love of Country.

Someone has related a graphic story of a conversation between a group of soldiers of the Allied countries. They had met somewhere in the region of battle, and "patted on." And so a lusty Scotchman put the query: "Boys, what are you fighting for? Do you know?" "For outraged Belgium!" an Englishman cried.

"For the British Empire," shouted a Canadian. "For Freedom and Democracy," said an American. The Frenchman stood silent. Finally they pressed him. "Tell us, what you are fighting for?" they insisted. He stooped down and scooped up a little of the earth at his feet. Raising it to his lips he kissed it reverently. "For France!" he said. This is the secret of the unconquer-

able spirit of France, the indomitable love of country, the willingness to shed the last drop of blood for home. When you want Roast Beef, Roast Veal, Roast Mutton, Roast Pork, try ELLIS'. The housekeeper can give the family extremely plain meals, but she should once in a while—provide an unexpected dainty to prevent their becoming too tired of the plain diet.

Mr. Grace Notes.

A very enjoyable patriotic concert social was held in Coughlan Hall Monday night, at which the handsome sum of \$240 was realized. The affair was under the auspices of Mrs. A. Oke, Mrs. James Cron and Mr. G. Larsen. Our people owe a debt of gratitude to Mr. Larsen for his untiring efforts which went in no small way to make the affair a success both socially and financially.

Twin girls were born to Mr. and Mrs. Abalom Martin on Friday last, at 11 o'clock.

A very enjoyable Sunday School anniversary was held in the Methodist Church on Sunday last. The children acquitted themselves splendidly, and the 1918 anniversary was considered one of the most pleasant gatherings held here for some time.

A couple of loads of coal arrived last week much to the satisfaction of many of our citizens who were nearly without that very necessary commodity.

Catherine's Guild will hold their next entertainment in St. Paul's Hall
