Cathedral Parish Annual Meeting.

The annual Easter meeting of the
parishioners of the C. of E. Cathedral
parish was held in the Parish Rooms,
Synod Building at 7.30 last night. The
Rector, Rev. Canon L. G. Jeeves, oc-
cupied the chair, supported by the
wardens, Messrs. Geo. Davey and T.
A. Hall. The Wardens of St. Michael's
Mission Church, Casey St., Messrs. W.
H. Ewing and J. M. Carberry, were
also in attendance. The financial re-
ports were submitted by People's
Warden G. Davey, received and adopt-
ed. These showed the sum of some
\$26,000 had been raised by the parish
during the year, and were very satis-
factory. The Church collections were
the largest in the history of the
Cathedral parish. Mr. J. M. Carberry
presented the financial accounts of St.
Michael's, which were also received
and adopted. The Cemetery Com-
mittee reported through Mr. S. G.
Collier, but through some oversight
the Secretary had not sent in a copy
of the annual report. The Financial
Committee's report was presented by
Mr. Wm. Godden in the absence of
Capt. C. B. Dicks, the Secretary-
Treasurer, who is away from the
country, being at Kentville, N. S.
Following the adoption of the ac-
counts and reports the election of a
People's Warden was held, Mr. G.
Davey being re-elected. Mr. Hall
was nominated as Rector's Warden.
Mr. Carberry was re-elected People's
Warden for St. Michael's, and Mr.
Ewing re-appointed Rector's Warden.
The Cemetery Committee was elected
as follows: Hon. S. D. Blandford, S.
G. Collier, F. C. Grant and W. N.
Gray, and Select Vestry: Sir Jos.
Outerbridge, Sir W. H. Horwood, J.
W. Withers, J. House, G. R. Williams,
Jas Gould, C. McK. Harvey, S. G. Col-
lier, F. C. Grant, Edwin LeMessurier,
W. N. Gray and Hon. W. B. Grève.
Representatives of the Parish to the
General Protestant Industrial Soci-
ety were elected, viz: T. Peel, J.
Davey, and Geo. Morris. The new
Finance Committee will be: Hon. S.
D. Blandford, W. Godden, Walter
Gardner, E. H. Shears, E. T. Snow,
W. Hitchcock, Edgar Antle, R. Learn-
ing, G. Davey, Stanley White, Stanley
Gill, R. Gabriel and Alex. Fearer.
Messrs. S. W. Cornick and G. A.
Hutchings were elected Auditors. The
meeting passed a resolution strongly
recommending the Select Vestry to
raise the stipends of the parish
clergy. A resolution of thanks was
also accorded His Lordship Bishop
White for presenting to the parish a
large subscription during the year,
and at the close of the meeting a
resolution of sympathy, proposed by
Mr. J. W. Withers, was passed the
wife, mother and relatives of Hon.
John Harvey, a prominent member of
the Cathedral Parish. The meeting
then adjourned, matters in connec-
tion with the completion of the
Tower not being discussed as the
hour was late, the time having been
taken up by the large amount of rou-
tine work.

Passenger Missing From Kyle.

The following message was received
by the Reid Newfoundland Co. from
the Purser of the Kyle last night:—
Robert Mews, a passenger from North
Sydney to South Branch, holding a
ticket for Port aux Basques, is short-
landed at Port aux Basques. He was
last seen when entering the harbor.
Search has been made by the police
and members of the crew. Mews slight-
ly demented. Presumed to have jumped
overboard between Channel Head and
wharf."

Ayr Lady Received O.B.E.

Miss Annie Isabella Sloan, daughter
of Parish Councillor Sloan and Mrs.
Sloan, 47 Fort Street, Ayr, who acted
as Assistant Forewoman in Queen
Mary's Army Auxiliary Corps during
the war, has received official intima-
tion that His Majesty has been gra-
ciously pleased to approve of the award
to her of the medal of the Most Ex-
cellent Order of the British Empire
(Military Division) in recognition of
valuable services rendered during the
war. The Controller-in-Chief, in for-
warding the intimation, offers Miss
Sloan her sincere congratulations.
Prior to the war Miss Sloan was em-
ployed with Messrs. Shaw & Young,
Writers to the Signet, County Build-
ings, Ayr, and has now taken up her
duties again with the firm.

Dye Old, Faded Dress Material

"DIAMOND DYES" MAKE SHABBY
APPAREL STYLISH AND NEW

Don't worry about perfect results.
Use "Diamond Dyes," guaranteed to
give a new, rich, fadeless color to any
fabric, whether it be wool, silk, linen,
cotton or mixed goods—dresses,
blouses, stockings, skirts, children's
coats, feathers, draperies, coverings.
The Direction Book with each pack-
age tells so plainly how to diamond
dye over any color that you can not
make a mistake.

To match any material, have drug-
gist show you "Diamond Dye" Color
Card.

FISHERMEN!

Here's the Boot for You:

"Excel" Boots

HAVE

Pliable Uppers. Weather Proof
and Wear Resisting. Tough Tire-
Tread Soles. Hard to Wear Out.

For Men and Boys.

Pliable Uppers, Weatherproof and Wear-Resisting,
Tough Tire-Tread Soles. Hard to wear out.

You know from experience what happens to ordinary
boots when used in fishing. You've seen how salt water
seems to take the life out of the rubber and how the rubbers
crack and the soles wear through in a surprisingly short
time.

The "EXCEL" is a different and better kind of boot. It
has been made especially to stand up under the unusually
hard use a fisherman's boot gets.

The rubber and fabric in "EXCEL" boots are of the
very highest quality. But it is the special method of curing,
under tremendous pressure, that makes the "EXCEL" so
wear-resisting. The pressure forces the layers of rubber
and fabric together so that they are actually "one-piece",
without losing the least bit of the life of resiliency of the
rubber. Salt water has practically no effect on "EXCEL"
boots. The UPPERS remain pliable and weatherproof, and
resist the drying-out action of sun, heat and cold far longer
than other boots, consequently they don't crack anywhere
so quickly. The SOLES are almost wear-proof, because
they are made like an Auto Tire, with 8 plies of rubber and
fabric welded by tremendous pressure into a "tire-tread"

sole that rivals an automobile tire for toughness and dur-
ability.

These are exclusive features of "EXCEL" boots.

The picture at the left, of an "EXCEL" boot, with every
detail of construction visible, shows how "EXCEL" boots
are reinforced at every point of strain. There is not a single
feature but what has been proved necessary and desirable
by tests of severest use. Your own experience will tell you
that a boot with these features simply must be a better
boot.

Study this picture. Learn these features. Remember
them when you compare "EXCEL" boots with ordinary
boots. And remember, too, that very important point
which the picture cannot show, namely, that "EXCEL"
boots are cured under tremendous pressure which leaves the
rubber pliable, weather-proof, and wear-resisting. It is only
by the use of this tremendous pressure combined with high-
est quality materials that the best results are obtained.

Below are listed seven special features which make
"EXCEL" boots superior. Read them carefully so that when
you need boots you will know how to get the best value for
your money.

Seven Special Features that make the "Excel" Best.

FEATURE No. 1—The entire boot is cured under heavy
pressure, forcing all parts together in "one-piece", and re-
taining the full life and resiliency of the rubber.

FEATURE No. 2—An 8-ply double sole of tough, dur-
able rubber, made like an Auto Tire, running all the way
under the full moulded heel. This sole and heel are so wear-
resisting that they are commonly called the "tough on
rocks" sole and heel.

FEATURE No. 3—A heavily reinforced boot which will
withstand the hardest kind of wear.

Most reliable dealers sell "EXCEL" boots. Be sure to look for the name "EXCEL". Substitutes and "just as good"
boots will not give you "EXCEL" service. If your dealer does not have them in stock, write us for name of nearest dealer.

FEATURE No. 4—Six plies at the instep relieves strain
and prevents wrinkling or cracking.

FEATURE No. 5—Reinforced five-ply leg for extra
wear. Just the right amount of strength to stand up, yet
not be uncomfortable.

FEATURE No. 6—Four-ply top, very pliable.

FEATURE No. 7—Heavy duck lining, and a heavy in-
sole prevent dampness and keep feet dry and comfortable.
