

Fashions in Furniture.

Furniture fashions vary almost every season, there is always some newly-designed chair or lounge coming into vogue. The present trend is toward upholstered Furniture, a splendid selection of which we are now showing. Here — huge Cosy Chairs, Chesterfields and Lounges, overstuffed and beautifully upholstered in Silk, Tapestry, Damask, etc. — gladden the eye, and there is no lack of smaller upholstered articles.

A SUGGESTION!

STUDEBAKER is quoted to-day close down to \$78. Its par value is \$100 and its dividend is \$7 annually. It is easily the pick of the automobile issues as it is now earning its full dividend more than three times over, and is working at near full capacity with many unfilled orders still on its books.

It has reached over \$90 this season and should easily sell again soon above that figure. Looks like a certainty for 10 to 20 points clear profit.

Traded on margin \$12 per share. Margin yield 50 per cent. We have every facility for prompt execution of your orders.
