# Sleep

cotic compounds is bad, decidedly bad. They undermine health and shatter the constitution and the patient is steadily growing into a worse condition - often resulting in the terrible slavery and misery of the cocaine and opium habit. Bleep induced by the use of Hood's Sarsaparilla does not perhaps come as quickly, but it comes mere surely and more permanently through nature's great restoring and rejuvenating channel-purified, vitalized and enriched blood. This feeds the nerves with life-giving energy and builds up the system and constitution from the very foundation of all health and life-the blood-pure, rich, red blood.

MR. FETHERSTON RESIGNS

The Leadership of the First Methodist Church Choir-A Handsome Gift.

At a meeting of the trustee board Wheat—Spot quiet; demand poor; futures dull and unchanged.
Corn—Spot steady; futures firm and unwas accepted, to take effect on church, was accepted, to take effect on March 31. The trustees, however, presented Mr. Fetherston with the handsome sum of \$400 as an earnest of their appreciation of his efforts for the past eleven years, and the fact that all his music was burned in the old church two years ago.

was accepted, to take effect on March. Mr. Wooley concluded his powerful address by an appeal to the audience to allow political prejudice to drop out of sight and act in the matter like men at the next election. There was no higher privilege than to speak the Word of God into the ballot-box. The converted to the past eleven years, and the fact that all his music was burned in the old church two years ago. The members of the choir feel sorry to lose their instructor, most of them having been members for several years. The veteran Mr. Ward was a very constant of the David in the contest; the liquor traffic is the Goliath; next election day, Christian voters, speak to him.

with the choir.

Among the members of the Grand Italian Opera Company, which is to give a concert at the Grand Opera ed upon the Rev. E. B. Lanceley to Grand Operatic Concert. House next Friday evening, is Mr. bring forward the motion, which was Jacques Friedberger, the celebrated as follows: pianist. Speaking of his playing, an exchange says: "When Mr. Jacques onded by Rev. E. B. Lanceley, seconded by Rev. T. W. Pedley, and restricted by the pianist, played in this city some time ago, a prominent musician said: 'I have been in Binghamton some time now, but I have never had a treat like that.' Last evening is a follows:

Moved by Rev. E. B. Lanceley, seconded to the correspondent is as follows:

"For eighteen months I was a victim of Rheumatism, and during the whole of that time was trying every means to cure it. I had the best doctors in Canada, and took their prehad a treat like that.' Last evening is a sollows: ton some time now, but I have never surprise at the meagreness of the had a treat like that.' Last evening's amendments to the License Law, as playing showed the criticism to be justified, for Mr. Friedberger's interpretation of the works he rendered was a revelation. In all he played eight selections, besides responding with bows to recalls, While all of the played with bows to recalls, while all of the played with bows to recalls, while all of the played with bows to recalls, while all of the played with bows to recalls, while all of the played with bows to recalls, while all of the played with bows to recalls, while all of the played with bows to recalls, while all of the played with bows to recalls, while all of the played with bows to recalls, while all of the played with bows to recalls, while all of the played with played with the played with played with played with played with played with the played with pla

Fine Orator.

John G. Wooley Addresses an Immense Audience Here.

A Powerful Plea for the Prohibition Cause.

An Address Full of Wit, Logic and Illustration-A Resolution Passed Asking Amendments to the New License Law.

John G. Wooley, of Chicago, speak ent. A vote of thanks to Mr. Wooley against the liquor traffic. It is doubt was then carried with great enthusiagainst the liquor traffic. It is doubt- asm. ful if the temperance cause in London has ever had such a powerful exponent. His speech was one torrent of eloquence. Such a wealth of rhetoric. such a power of invective, such passionate pleading, coupled with such draas was displayed by this apostle of prohibition, is rarely met with.

HIS LIFE.

Mr. Wooley's life story is singularly A Good Citizen and a Useful interesting. He was born at Collins-ville, Ohio, on Feb. 15, 1850, and was carefulty educated by his parents. He graduated from the Ohio Wesleyan Col-Toronto, March 9.—Receipts today, lege in 1871, and shortly afterwards cars, including 280 sheep and lambs, entered upon the study of law. He was 1,900 hogs, 40 calves and about 20 milch admitted to the bar in 1873, in the Sucows and springers. About four loads preme Court of Illinois. After four of cattle went to Montreal, and 5 cars years' practice he removed to Minnewere sent to Buffalo. Buying for both apolis, entering Supreme Court pracplaces rather quiet. Export cattle—tice, and becoming State's attorney, and a leading lawyer in criminal cases. He was admitted to the bar in the per lb, the figure oftenest touched being about 4c. Only one or two choice 1886. His social popularity kept pace head went above 44c per lb. Some cat-with his success in his profession. He

donald sang an appropriate song.

or maybe a fraction over for something better. Demand chiefly confined to best ones. Feeders—Demand was fair; prices were steady at 3½c to 3½c per fb. There will be a light demand for the rest of the week.

Sheep—Trade was quiet; butchers' and shipping ewes sold at 3c per fb. Lambs—The market was active, and prices were firm at 5c per fb for choice, and 4¾c for medium; good lambs, weighing from 90 to 110 fbs, bring top prices, and are wanted.

MR. WOOLEY.

Mr. Wooley, in coming forward, plunged at once into his subject. He asserted that the principle, "Look out for the other man," was a command from God. The speaker then turned from God. The speaker then turned from God. The speaker then turned ing words of functions of government. He quoted as his doctrine the opening words of the Declaration of Independence. The prime function of government was to protect the life and prices, and are wanted. prices, and are wanted.

calves were a little firmer for choice veals, and prices ruled at \$4 to \$6 each.

Oueen's county Ireland.

state stock; good to choice lambs sold at \$5 25 to \$3 30; one load at \$5 45; this country, no complaint was raised against a traffic which was directly against a traffic which was directly against a traffic which was directly responsible for a tremendous loss of life. There were 2,500 babies annually killed in England because of drunken parents overlaying them in bed, and that was drink's kindest way of kill-ing. The government cannot take the parental relation, but it ought to protect the weak, and if it does not it

ought to die.

Another of the inalienable rights of Calves—Receipts, 13 head: firm, at \$4 to \$7 for poor to choice veals.

Sheep and Lambs—Receipts, 1,228 head: firm: lambs rated 10c higher; quotations, \$4 25 to \$4 46 for medium to fair sheep and mixed lots, and \$5 50 to \$5 75 for good to prime lambs.

Hogs—Receipts, 2,336 head; nominally steady. thogs, and \$4 3 to \$4 40 for pigs.

Cables from British markets quote American steers at 10½c to 11½c, per 1b, dressed weight: American refrigerated beef, 8½c to 9c per 1b; American sheep, 9c to 11c, dressed weight. The Government of the day, by sanctioning this traffic failed to promote the happiness of its citizens. It was a difficult thing for a carefully reared young man to avoid the snares of drink. The man with an hereditary predisposition towards it had no chance at all of winning in the race. It was a case of hares and hounds, and the

Government were setting on the hounds.

years. The veteran Mr. Ward was a member for years before Mr. Fetherston's time; also Mr. Ashplant. One of the altos joined with the choir at the same time as Mr. Fetherston, and is yet a member, having grown up with the choir.

"The white stone of political power is in the sling. Hurl it, and let God speed the mark. Good-night and good-bye."

After Mr. Wooley had taken his seat Mr. Johnston announced that a motion was to be put. The case was this. tion was to be put. The case was this There were 3,025 licensed liquor stands

we do not consider the provisions of that bill as any adequate response to a people's demands for a fulfillment of the promise made. hese pills to anyone suffering as I Price 60 cents per box, or three boxes for \$1 50. At all druggists.

20-0-4440-4440-4-00 Break Up a Cold in Time BY USING PYNY-PECTORAL The Quick Cure for COUGHS, COLDS. CROUP, BRON-CHITIS, HOARSENESS, etc.

Mrs. Joseph Norwick, f 68 Sorauren Ave., Toronto, writes: "Pyny-Pectoral has never failed to cure my children of croup after a few doses. It cured myself of a long-danding cough after several other remedies had failed. It has also proved an excellent cough cure for my family. I prefer it to any other medicine for coughs, croup or hoarseness."

H. O. BARBOUR, of Little Rocher, N.B., writes: "As a cure for coughs Pyny-Pectoral is the best selling medicine I have; my cus-tomers will have no other." Large Bottle, 25 Cts.
