Four Bankrupt Stocks

Bargains for Everybody

Tomorrow (Saturday) The London Bargain Store will give to the public a feast of bargains unheard of in the history of London. Four Large Bankrupt Stocks-almost everything conceivable to be found among these four large stocks.

Ready-Made Clothing, Drygoods, Hosiery, Millinery, Jewelry, Crockery, Etc.

Saturday will be the day for sweeping prices, sure to make these stocks vanish like gold nuggets discovered in a sand hill. What do you think of firstclass goods being sold at prices as quoted below? Sounds ridiculous, doesn't it? Here's the explanation: Four bankrupt stocks bought at less than 50c on the dollar. We sell at these prices, you get bargains, and we get fair profits-an honest confession-and a fair deal between us. Come to this sale and benefit by it.

FORTY-EIGHT HOUR

Two Men Stormtossed on Lake Ontario in a Motor

Syracuse, N. Y., Oct. 31.-H. E. Fos-H. W. Remmer, reached Syracuse last night from Kingston, Ont., after being Ontario for forty-eight hours.

They had planned to come to Syracuse from the Thousand Islands with their boat and Saturday anchored off They were awakened by the found themselves out in the lake beyond sight of land. For hours they and finally gave up the effort. The curtains of the boat served as a sail, carrying them swiftly in a direction they could not determine. The waves began to fill their boat and they rigged up a pump. At this Remmer became exhausted, and Foster continued pumping for twenty hours.

The men say they were seasick, hungry, chilled to the bone and exhausted, keeping up their fight only Early Tuesday morning they saw some lights ahead and with poles as paddles managed to reach the shore bout 4:30 a.m.

BIG GUNS FOR BRAZIL

Constructed by the Armstrongs.

London, Oct. 31 .- It was rumored here recently that the new British were to have 13,5 inches instead of 12 inches guns. It was known that such guns were being constructed. It now appears, however, that they are for more than to say that they were a the two Brazilian battleships, the orgrand exhibit, and a credit to their ders for which have been placed with the Armstrongs. These gigantic guns During the day refreshments were mark a notable step in naval construcserved in the spacious dining-room of tion and armament.
