TOOK COUNT IN FOURTH

Ketchell Went After Tony Hammer and Tongs-His Footwork Fast.

Schenectady, June 2.-Toni Caponi, of Chicago, was knocked out by Stanley Ketchell with a blow to the jaw in the fourth round of a scheduled tenround bout before the American Athletic Club here tonight. The westerner put up a miserable exhibition and seemed utterly unable to ward off the plows of the champion, who landed whenever and wherever he wanted to. Caponi was knocked down once in the second and four times in the fourth,

on the last fall taking the count. It was evident from the first that Ketchell intended to take no chances and he went after his man, hammer and tongs. He was aggressive in the extreme and his footwork was fast. He was apparently in the best of condition and needed scarcely any attention between rounds.
