Clothes To Grace Formality

ANIMATION—ACTIVITY—A FLUTTERING, FLARING LINE. THIS IS THE PICTURE OF THE AUTUMN MODE."

Four lovely gowns, chosen by "Yvette" in Paris for our store are here described. And as the smartest women this year are wearing chiffons or georgettes, many of which are beaded, these gems of the modiste's art are either beaded or made light and airy by means of delicate lace.

"MODEL 1"
A delicate shade of corn georgette has its flare introduced by gleaming lace; its bodice is this year plain. The neck is oval and one red rose touches its folds at the back of the shoulder. Price . . . \$45.00

"MODEL 2"
The most delicate of mauve shades, combined with lace as decorative motifs on the skirt, has a plain back and flared skirt in the front only. Price . . . \$49.00

"MODEL 3"
Georgette of fuchsia shade combines side flares with a pattern of iridescent beads. Its oval neck is beautiful in its simplicity. A dress that will gleam and twinkle in the glaring lights of evening. Price . . . \$59.00

"MODEL 4"
Hyacinth claims its right to appear in this frock, which is beaded in a simple yet effective pattern. The skirt as always this year bears the burden of trimming, and the flare is skillfully introduced while the beads twinkle among the folds . . . \$47.50

These and other models are on display on Second Floor.
