Thick, Gleamy Hair -Full of Life

En proposition and proof The constant curling and waving demanded by modern style in hair dress, slowly burns the color, lustre and very life from the hair, leaving it dry, faded, brittle, streaked with gray; then the hair roots shrink and gray; then the hair roots shrink and honor of the Countess of Spencer, honor of the Countess of Spencer.

the hair falls out fast.

A 35-cent bottle of refreshing fragrant "Danderine" will do wonders for any girl's hair. This vitalizing beauty-tonic acts on the hair like fresh showers of rain and sunshine will play the orchestral parts on a will play the orchestral parts on a fresh showers of rain and sunshine act on vegetation. It goes right to the roots, invigorates, nourishes and strengthens them, helping the hair to grow thick, healthy and luxuriant.

Try this for one week! While combing and dressing your hair, moisten your hair brush with a little "Danderine" and brush it through your hair—the effect is startling! Your hair immediately takes on new life and that healthy, youthful lustre, becomes incomparably soft, wavy and appears twice as thick and abundant.

200 WESTERN ONTARIO GIRLS ATTEND RALLY IN LONDON

Miss Mary Allison, Girls' Work Secretary, Addresses Gathering -Points Out How Ships Typify People in the Sea of Life.

Ships were used most originally as the topic of a very clever address given last evening by Miss Mary Allison, along without the engine of the most originally as grace and beauty.

But all these things could not get along without the engine of the most originally as grace and beauty. AND THE ABBIE BIRD.

There was a swishing, swashing sound in the dried leaves that covered the floor of the forest, in which stood the hollow tree when the Bushytail family of squirrels lived. Uncle Wiggily, with Billie and Johnnie, had been playing a little game.

There was a swishing, swashing ast evening by Miss Mary Allison, national girls' work secretary, at the first C. G. I. T. parley ever to be held in this district and the second to be held in the dominion, convening at the long tribute communication with Grant Could be found only in times of quiet communication with Grant Could be found only in times of quiet communication with Grant Could be found only in times of quiet communication with Grant Could be found only in times of quiet communication with Grant Could be found only in times of quiet communication with Grant Could be found only in times of quiet communication with Grant Could be found only in times of quiet communication with Grant Could be found only in times of quiet communication with Grant Could be found only in the drief of the London girls' cabinet.

ample of an all-around girl. It was the "Obble! Obble! Obble!"
"It's the Woozie Wolf," cried Johnsie.
"It's the Fuzzy Fox!" said Billie.

The cargo also was very important. There was need for the necessary fuel and food to carry the ship on its way, and there was the more valuable cargo, which, she suggested, might be the things stored for future use—Latin for a would-be nurse, first-aid, homenursing. That was the cargo, she said, the shappings and assistthat would bring happiness and assistance to others.

Chart Important.

Miss Allison spoke, too, of the ballast, was so necessary, she said, if all was go well. The chart was also of great importance, and she pointed out that God was the one safe course to follow if one would be free from snage and perilous ways. In speaking of the perious ways. In spending pollots, she pictured the mothers as the guides of tender years. The sails, she ance at the rally.
