CAN YOU DO BETTER. - When attacked by croup, sore throat, colds, rheumatism, neuralgia, sprains bruises, burns or any kind of pain or soreness, can you do better than use Yellow Oil? It is a medicine which never fails to give satisfaction. It is magical in its power over pain, and is the safest and best remedy where soreness and inflammation exist.

Nothing impure or injurious contaminates the popular antidote to pain, throat and lung remedy, and general corrective, Dr. Thomas' Eclectric Oil. It may be used without the slight-est apprehension of any other than salutary consequences. Coughs, rheumatism, ear-ache bruises, cuts and sores, succumb to its action.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria
