## New Arrivals Every Day

Every day brings us some new millinery, every lot seeming to excel previous ones in beauty and style.

Delighted would be a mild term to apply to the people that have already purchased, every woman is enthusiastic and considers her new hat the most becoming and stylish that it is possible to get.

The illustration is a hat of the Corday style, one of those models that add to the attractiveness of the wearer to a marked degree, in fact, few hats have been brought out in late years that so favored the wearer.

And we have many other styles quite as stylish and just as handsome. Your horse show millinery needs should be filled at once.
