### MISSIONARY SPEAKS ON DIVINE HEALING

Rev. George Coplin Addresses Congrega tion of Church of God.

Rev. George Q. Coplin, returned missionary from the British West Indies, vesterday addressed the congregation of the Church of God on the subject of Divine healing, and in a comprehensive manner he illustrated how clearly Divine healing is taught by the Bible. John L. Williams, who was to have spoken, was unable to give his address on account of a severe cold recently contracted. His friends expect, however, that the "Little Welshman" wili soon be around again and as fit as ever. A feature of to-night's services will be an illustrated lecture on various aspects of the Church of God.

## Soft Ball Draws Large Crowds

The popularity of soft ball is shown by the large number of people who are to be found watching games in all sections of the city. The photo shows several hundred spectators at a game on the Federal Square. The attractiveness of the game is probably best demonstrated by the fact that there are no seats for onlookers, yet they stand
