Fire which started in a straw stack at a threshing at Hugh Johnston's, north of Glenrae, destroyed the barn and chicken house. The threshing outfit was saved but the entire season's crop consisting of 65 loads of hay and 1200 bushels of grain was completely consumed.

Government Crop Report for August

Ottawa Sept. 2nd, 1915. A special press bulletin issued to-day by the Census and Statistics Office gives the following report on the condition of field crops throughout Canada, at the end of August, as summarized from telegrams received from the Dominion Experimental Farms and Stations under arrangements made between the Departments of Trade and Commerce and Agriculture.

Ontario—From Essex County excessive rainfall from the 1st to the 15th. Grain, though much damaged by rain, will give an average yield. Corn and hoed crops are later than usual, but give promise of splendid crops. Peaches, plums, apples and vegetables are splendid. In Waterloo County, the grain is practically all harvested; wheat is badly sprouted and barley is discolored. Potatoes and turnips are spoiled by wet weather. Second crops of clover and alfalfa look fine. Ontario County:—All grain crops flattened by heavy rain storms on August the 4th. The harvest will be over in a few days, if weather is fine the damage will not be serious; corn and roots are good; potatoes are rotting; apples are a poor crop. In Eastern Ontario the rainfall during August was the heaviest for 23 years amounting to over 7 inches. The grain is practically all cut, but is not yet all in. Having been too much exposed to rain it is badly colored, especially oats. The aftermath of hay is good, and pastures are in excellent condition.

McTavish—Morrison

On Sept. 1, a very pretty wedding took place at the home of Mr. and Mrs. A. T. Morrison, Brooke, when their eldest daughter, Margaret R., was united in marriage to Duncan C. McTavish, of Mosa.

The bride, becomingly dressed in white, and carrying a shower boquet of pink bridal roses and lilies of the valley was given away by her father, the wedding march being played by Miss Bertha Reycraft. The ceremony took place under an arch of autumn tinted maple boughs, Rev. R. G. McKay, of Alvinston, officiating.

The groom's gift to the bride was a handsome gold wrist watch, and to the pianist, a pearl crescent pin.

After a sumptuous wedding dinner the bride and groom accompanied by a number of friends and relatives, motored to Glencoe, where the newly married couple boarded the train for Toronto and points east.

The guests from a distance were: Mr. and Mrs. A. McLeish, of Toronto, Mrs. W. Wilson and Miss Ida Wilson, of Detroit, Mr. M. A. McAlpine, of Dutton, Miss E. McTavish, of Wheatly, Miss E. Smale, of Highgate, Mr. Morrison Smale, of Strathroy.

A few days before the wedding, a large number of the bride's friends gathered at her home and gave her a miscellaneous shower. The numerous and costly gifts which she received, show how much the bride was appreciated in the community which she is leaving.—Alvinston Free Press.

ONE SPOONFUL GIVES ASTONISHING RESULTS

Watford residents are astonished at the QUICK results from the simple mixture of buckthorn bark, glycerine, etc., known as Adler-i-ka. This remedy acts on BOTH upper and lower bowel and is so THOROUGH a bowel cleanser that it is used successfully in appendicitis. ONE SPOONFUL of Adler-i-ka relieves almost ANY CASE of constipation, sour or gassy stomach. ONE MINUTE after you take it, the gasses rumble and pass out.—Taylor & Son, druggists. 2

Stewart—Abell

A very pretty wedding was solemnized at the home of Mr. and Mrs. Joseph Abell on Wednesday, Sept. 8th, when their youngest daughter Annie G. Abell was united in the holy bonds of matrimoney to Mr. Harold R. Stewart, youngest son of Mr. and Mrs. Chas. Stewart of Warwick. The ceremony was performed by Rev. H. F. Kennedy, pastor of the Uttoxeter Methodist church, of which the bride has been organist for the past five years. Promptly at 2 o'clock to the strains of the wedding march played by Mrs. Chas. Stewart, the bridal party entered the parlor and took their places under an arch of evergreen and flowers banked with ferns. The bride looked charming in a gown of broche satin de chine with shadow lace trimmings and carried a shower bouquet of white asters. Little Agnes Lamont, cousin of the bride, acted as flower girl. After congratulations and signing of the register the guests, numbering about fifty repaired to the dining room, where a dainty wedding breakfast was served, the color scheme being pink and white. A wedding ring of golden flowers was suspended over the bride's table, while four young girls acted as waitresses. The happy couple left amid showers of rice and confetti for London and other points east, the bride travelling in a navy blue whipcord suit with blue silk blouse and blue plush hat. The gifts were numerous and costly. Upon their return they will reside on the groom's farm, Egremont road, Warwick.

Eddie, eleven years old, only son of Councillor Archie Currie, of Dawn, was found dead in the woods on his father's farm on Saturday shortly after he had left the house to catch and harness a horse. It is presumed that after catching the horse he was thrown from its back against a tree.
