Clerk's Advertisement of Court in Newspaper

NOTICE IS HEREBY GIVEN that a Court will be held, pursuant to The Ontario Voters' Lists Act, by His Honor the Judge of the County Court of the County of LAMBTON at the
TOWN HALL, WARWICK
—ON—
Tuesday the 19th day of September 1916
—AT 8 O'CLOCK P. M.—
to hear and determine complaints of errors and omissions in the Voters' List of the Municipality of the Township of Warwick for 1916.
Dated the first day of September 1916.
N. HERBERT,
Clerk of the Municipality of the Township of Warwick.

The Late Thomas Doherty

The death of Mr. Thomas Doherty, Mayor of Sarnia, which came with awful suddenness on Wednesday evening of last week, was mentioned in last issue. He dropped dead at the close of an address he gave at the ceremonies attending the laying of the corner stone of the new Sunday School of St. Paul's church, Sarnia. In company with the other gentlemen who were to address the gathering Mayor Doherty ascended the platform, and in less than half an hour his lifeless form was carried therefrom by his friends who had only a few minutes before been attentively listening to his remarks.

Mayor Doherty was born in Lasank County and was raised in the township of Plympton in this county. From his earliest childhood he displayed great aptitude as a mechanic. He started a foundry and implement factory in Watford when quite young and built up a thriving and prosperous business in farm implements. He sold out the Watford business to the late Mr. D. Thom in 1884 and established the stove foundry in Sarnia which he conducted up to the time of his death. Self educated to a large extent Mr. Doherty was an extensive reader of scientific works and had a well stored mind on mechanical problems the benefit of which was not only shown in his own particular line of business but was given gratuitously to the city in connection with the waterworks equipment and incidental troubles and difficulties arising in the operation of the plant.

Deceased was aged 73 years and is survived by his widow and the following sons and daughters: Jas., of Chicago; John and William, of Sarnia; Mrs. (Dr.) Logie, Mrs. W. A. Watson, Mrs. Harry Turnbull, Mrs. C. H. Belton, Sarnia; and Mrs. Gordon Rutherford, Hutchinson, Kansas.

The remains were laid to rest Saturday afternoon in Lakeview Cemetery. All business was suspended in the city and thousands turned out to pay their last respects to the former chief magistrate. The service was attended by the City Council in a body, accompanied by

several of the other county and city officials. Many representatives of the more distinguished citizens were there with a large number of the employees of the Doherty Stove Works, of which the Mayor was president.

The funeral rites were quietly and impressively carried out. The Rev. J. J. Paterson, of St. Andrew's Presbyterian Church, conducted the service at the house and also at the grave. As the remains were placed in the motor hearse hundreds of heads were bared in solemnity. The several blocks of automobiles, which were lined up along Front Street, carried nearly 400 mourners to the grave. This was the first automobile funeral that has been held in the city. The pallbearers were Dr. Wm. Logie, Harry Turnbull, Chester H. Belton and W. A. Watson, sons-in-law living in Sarnia, and Gordon Rutherford, a son-in-law, living in Hutchinson, Kansas, and Lester Brown a nephew residing at Pontiac, Mich.

THE ROAD TO HEALTH Lies Through Rich Blood and Strong Nerves.

Debility is a word that fairly expresses many ailments under one name. Poor blood, weak nerves, impaired digestion, loss of flesh, no energy, no ambition, listless and indifferent. This condition is perhaps the penalty of overwork or the result of neglected health. You must regain your health or succumb entirely. There is just one absolutely sure way to new health—take Dr. Williams' Pink Pills. These pills will bring you new life, fill every vein with new, rich blood, restore elasticity to your step, the glow of health to wan cheeks. They will supply you with new energy and supply the vital forces of mind and body.

There is not a coroner in Canada where Dr. Williams' Pink Pills have not brought health and hope and happiness to some weak debilitated person. If you have not used this medicine yourself ask your neighbors and they will tell you of some sufferer who has been restored to health and strength through using Dr. Williams' Pink Pills. One who has all ways a good word to say for Dr. Williams' Pink Pills is Mrs. Luther Smith, of West Hill, Ont., who writes:—"I feel it a duty as well as a pleasure to tell you what Dr. Williams' Pink Pills have done for me. I had an operation for tumors. The operation in itself was quite successful, but I was so badly run down and anaemic that I did not gain strength, and the incision did not heal, and kept discharging for nearly a year, until I weighed only eighty-six pounds and could scarcely walk across the floor. I had got so sick of doctors' medicine that I would vomit when I tried to take it. A good friend urged me to try Dr. Williams' Pink Pills, so I bought a box. Before they were gone I thought I could feel a difference, and I got a further supply. By the time I had taken five boxes the wound ceased discharging and commenced to heal. I took in all thirteen boxes and am to-day enjoying the best health of my life and weigh 140 pounds. I sincerely hope anyone suffering as I did will give Dr. Williams' Pink Pills a fair trial, and I feel sure they will not be disappointed."

You can get these pills through any medicine dealer or by mail, post paid, at 50 cents a box or six boxes for \$2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

The county of Elgin is a great bean-growing district, but this year, owing to the weather conditions, the crop will not be half what it usually is. Many farmers state that they do not expect more than five to ten bushels per acre, while others have given up the crop as a failure completely.

Melton—Lorrman

A pleasant event took place at the home of Mr. and Mrs. E. S. Lorrman, Inwood, on September 5, when their only daughter, Iva Pearl, became the bride of Roy Melton, son of Mr. and Mrs. Henry Watford, Brooke. To the sweet strains of Lohengrin's "Bridal Chorus," played by Miss Edna Campbell, the bride was led by her father to the bridegroom, waiting under a beautiful arch of green, studded like stars with asters.

The bride's dress was of white silk crepe de chine and chiffon, with silver ornaments, and she carried a bride's bouquet of asters and wore asters in her hair.

The impressive marriage ceremony of the Presbyterian church was read by Rev. N. A. Campbell, of Inwood, to the subdued strains of music from the piano. Mr. and Mrs. Melton, on their return, will reside in their pretty new home in North Brooke.

Mitton—Littleproud

A quiet wedding took place at the home of Mr. and Mrs. A. W. Littleproud, Inwood, on Friday, Sept. 1st, at 10 o'clock a.m., when their daughter, Irene, was married to Mr. Frank Mitton, the popular M. C. K. operator there, the officiating clergyman being Rev. A. J. Loveday.

The bride wore white crepe de chine and carried a bouquet of roses and asters. After the ceremony and the signing of the register, a dainty and delicious luncheon was served. The young couple motored to Watford, where they took the train for Toronto and other eastern cities.

The guests were the immediate relatives of the bride and groom, including Mr. and Mrs. Roy Littleproud, of Muncey, and Mr. and Mrs. Mitton and family of Ridgetown. A number of beautiful and useful gifts gave testimony to the esteem felt for both bride and groom. Mr. and Mrs. Mitton will make their home in Inwood.

CHOP STUFF

Mrs. Duncan L. Ferguson of Russell st., Sarnia, has returned home after spending one week at Toronto exhibition.

The strange find of a lower set of teeth in excellent condition was made a few days ago on a lawn in Leamington.

Jacob Quackenbush, a former resident of Strathroy, died at Zurich and was buried there on Friday, Sept. 1st.

David Dynes, a blacksmith at Southwood Station, is reported to be slowly ossifying as the result of being bitten on the arm by a mad dog.

Miss Aggie Wroleston of Bothwell fell into an open sewer in that town while the lights were off, breaking three ribs and straining the muscles of her leg.

Masters Stanley, Kenneth and Elroy Ferguson, Sarnia, have returned home from spending the holidays with their grandmother, Mrs. D. D. Ferguson, Mosa.

Little Russell Brown of Greenway, Middlesex, had a narrow escape from being poisoned recently. He managed to get hold of some fly poison and drank some of it.

Edward M. Currie of Adelaide, died Sept. 1st. He is a brother of Major-General A. M. Currie, C. O. 1st div. of Canadians in France. John, reeve of Adelaide, is also a brother.

A boy has died at Ongor, England, from a dangerous and uncommon disease known as actinomycosis, contagious in cattle and man, which he contracted by chewing a piece of straw picked up on a farm.

Kent county police are investigating a number of complaints which have been laid against a party of photo enlargers, who are reported to have been using questionable methods in the vicinity of Tilbury.

W. B. Brown, teacher of Classics and English in the Forest high school for three years, died at the home of his parents in Sarnia on Sept. 1st. He retired in his usual health and passed away during the night.

Dan McMurphy of Plympton, lost a valuable colt lately. With its mother it was on the approach to the bank barn at its highest part and both were in the act of turning around when the mother crowded her offspring over the edge with the result that the colt's back was broken.

A military wedding took place in the Presbyterian Church, Petrolia on Friday, when the marriage was solemnized of Pte. Hargraves of the 149th Battalion and Mary Jane Bennett of Petrolia. The ceremony was conducted by Captain Macgillivray, Chaplain of the battalion.

Wm. Wight, 2nd con., Bosanquet, reached his seventy-fifth birthday on Tuesday, Sept. 5th, and the occasion was celebrated by a family picnic at Port Frank. Twenty of his sons, daughters-in-law and grand-children attended the picnic and a most enjoyable time was spent by all.

Waste oil which had accumulated at a bend in Fairbank's Creek became ignited Sunday afternoon and caused a spectacular fire, which in addition to burning the oil, threatened the grove and residence of Major Fairbanks, Petrolia. Some damage was done to the grove before the firemen got the blaze under control.

Mrs. J. P. Jermain, 2nd line, Plympton, is suffering from an attack of potato poisoning. Mrs. Jermain and daughter Helen, in company with a party of 18 or 20 people, attended a picnic when holidaying at Penetanguishene, and about fourteen of the party were more or less poisoned with something they had eaten.

Jack Miner of Kingsville, last spring labelled four wild geese while they were at his pond before going north. He has received word that one of the birds was

shot near Fort George on James Bay by an Indian, who gave the label to the Hudson Bay agent there. Another one of the six geese labelled in 1915 by Mr. Miner was also shot recently near Fort George, making five accounted for out of six labelled that spring.

Geo. Berdan, 35 years old, formerly of Thedford, was electrocuted by the current from a feed wire of the Edison Illuminating Company, Detroit, which had been broken. Berdan saw the hanging wire, flashing incessantly against fallen telephone wires, as it dangled from a tree. He procured a broomstick, and sought to pull the feed wire away, but it became dislodged suddenly, and fell upon him, and he fell in his tracks.

Mayor Stritret of Petrolia, at the last council meeting paid a high tribute to Mr. Wm. Cyle, principal of the high school of that town, who has resigned from that position after 30 years' service as assistant and principal. He spoke of Mr. Cyle's long term of office, his scholarship, his faithful service, his sterling character, and the salutary influence his teaching and his life had had upon the boys and girls of Petrolia who had passed through the high school there.

While John Warner was engaged in digging a drain on Frank street, Strathroy, at the rear of the Royal Bank, on Friday morning, the earth caved in pinning him firmly in the loose earth. His head and shoulders were above the cave in, otherwise the result might have been quite serious. As it was, willing hands soon dug him out. Although no bones were broken or other injuries sustained, he was quite weak from the shock for some time afterwards and suffered considerable pain.
