WORMS! WQRMS!! WORMS!!! KOLMSTOCK'S VERMIFUGE,

This remedy for Worms is one of the most extraordinary ever used. It effectually eradicates worms of all sorts from children and adults.

Thousands perish by worms without the real cause being known. Some other reason is assigned for their sickness, until too late to cure the true cause.

What immense responsibility than rests upon the parent who does not know, and the doctor who does not understand the complaint, which is destroying those precious flowers of life—children.

What should be done? What should be done?

The answer is plain; give this Vermifuge, which will be sure to do good, if they have no worms, and if they have, it will destroy and eradicate with a certainty and precision truly astonishing.

It campot harm the smallest infant or the strongest adult. There is no mercury or mineral in it. Mercury is the basis of most worm remedies; and the remedy is sometimes worse than the disease. So never use lozenges but rely upon this. Every person will be convinced on one trial that it is the most perfect cure ever invented We call on all good citizensto make known the effects
