

ADVERTISEMENTS.

"The Neostyle" Duplicating Apparatus.

For Duplicating Writing, Music, Drawing, or Type-writing.

Two thousand exact copies from one writing, each copy having all the appearance of an original. Simple, rapid, clean, and durable. Invaluable to all our clergy for parishes work—for reports, notices, circulars, orchestral music, used in most of our colleges and largely adopted by most of our clergymen as a labour-saving device; will pay for itself a few times using.

Write for circulars and testimonials.

Neostyle Co.,

10 King Street East,

TORONTO.

Our Bindery

Is furnished with the very best English, French, German, and American leathers, of all kinds.

With a fine assortment of the best English and American cloths, and of French, German, and Belgian marbled papers.

Our workmen are the most skilful obtainable, and our workmanship first-class.

Our machinery and finishing tools are all new.

If you want to know what others think of our binding, write us for book of testimonials from various public institutions.

If you want some real good binding done, will you not kindly send your books, magazines, papers, etc., on to us?

THE BRYANT PRESS.
