TO IMPORTERS AND WHOLESALE GROCERS.
THE SUBSCRIBER, having for many
years superintended the manufacture of Candied
Peels in one of the largest Houses in London, Eng-
land, has now established himself in Toronto, for the
purpose of supplying the Canadian trade with those
and other articles which have hitherto been imported.
He imports his fruit direct from the growers, and, in
consequence of the duty on imported peels, can sell at
a low figure, and will guarantee as good an article as
any of English manufacture. Importers would do
well to send for circular before sending foreign orders
for the ensuing season

LARGEST WHOLESALE
CONFECTION ESTABLISHMENT
IN CANADA.

In consequence of extensive improvements in steam
machinery and other facilities, the subscriber feels con-
fident that he can furnish confectionery of a superior
quality, a finer finish, and at a lower price, than any
other in the trade. His stock is always of the most
varied description, consisting of everything which the
most experienced English, French, and American
workmen are capable of manufacturing. Druggists
would do well to send for price list of medicated con-
fections

invariably does. If no treatment be submitted to,
consumption or insanity may ensue.

IMPROVED ROSE WASH will radically extermi-
nate from the system Diseases of the Urinary Organs,
arising from habits of dissipation, at little expense,
little or no change in diet, no inconvenience and no
exposure, completely superseding those unpleasant

curing these unpleasant and dangerous diseases.

USE HELMBOLD'S FLUID EXTRACT BUCHU,
in all diseases of the Urinary Organs, whether existing
in male or female, from whatever cause originating,
and no matter of how long standing. It is pleasant in
its taste and odor, immediate in its action, and more
strengthening than any of the preparations of Bark or
Iron.

Those suffering from Broken-down or Delicate con-
stitutions, procure the remedy at once.

The reader must be aware that, however slight may
be the attack of the above diseases, it is sure to affect
his bodily health, mental powers, happiness, and that
of his posterity. Our flesh and blood are supported
from these sources.
