Miscellaneous.

14/5-2 NORTH AMERICAN
LIFE ASSURANCE CO.,
Manning Arcade, Toronto.

FULL GOVERNMENT DEPOSIT.

President, HON. A. MACKENZIE, M.P.,
Ex-Prime Minister of Canada.

The Semi-Tontine Return Premium Plan of the North American Life Assurance Co. provides that should death occur prior to the expiration of the Tontine period, the whole of the premiums that may have been paid will be payable with, and in addition to, the face of the policy—thus securing a dividend of 100 per cent. on the premiums paid, should death occur during said period.

The Commercial Plan.—The large number of business and professional men who have taken out large policies on the Company's Commercial Plan show that the demand for reliable life insurance, relieved of much of the investment element which constitutes the overpayments of the ordinary plan, is not confined to men of small incomes, but exists among all classes of our people.
