

PLEASANT HOURS

was never so popular as during the past year. We are determined that the next year it shall be better still. While retaining the same general features, it will introduce marked improvements of illustration and context. It will, as heretofore, give special prominence to Christian missions—especially those of our own Church—to temperance, and Canadian, and patriotic topics. It is a quarto eight-page paper, issued every fortnight, at the following low prices:—

PLEASANT HOURS, 8pp. 4to., every fortnight, single copies, 30 cents; less than twenty copies, 25 cents; over twenty copies, 22 cents.

HOME AND SCHOOL

will be of the same general character as PLEASANT HOURS, but of a somewhat superior grade, with more copious lesson notes and more varied home reading.

These papers are, for size, and price, and excellence, the *cheapest in the world*. We challenge comparison. They are even ordered from the United States and Australia, as superior to anything that can be produced for the price in those countries. Issued on alternate Saturdays, they furnish a paper for every Sunday in the year. They both abound in choice pictures, poems, stories, and sketches, in temperance and missionary sentiment, in loyalty to Queen and country; and both have copious lesson notes. Many schools circulate these papers instead of library books—finding them fresher, brighter, more attractive, and much cheaper.

HOME AND SCHOOL, 8 pp. 4to., every fortnight, single copies, 30 cents; less than twenty copies, 25 cents; over twenty copies every fortnight, 22 cents.

THE SUNBEAM

will be brighter, better, and more beautiful than ever, with a superior grade of pictures, and will be issued every fortnight. It is just what the little folk of the primary classes need—full of pretty pictures, short stories, poems, and easy lesson notes.

SUNBEAM, every fortnight, when less than twenty copies, 15 cents; twenty copies and upwards, 12 cents.

THE QUARTERLY REVIEW SERVICE

gives review questions, responsive readings, hymns, etc. Very popular. By the year, 24 cents a dozen; \$2.00 per 100; per quarter, 6 cents a dozen; 50 cents per 100.

The above rates are all post-paid. Specimens will be sent *free* to any address. Send orders early, that we may promptly meet the increased demand. *Schools sending new orders for the year now will receive the numbers for the rest of the year gratis*, including the special *Missionary and Christmas* numbers.

GRADED LESSONS.

Schools desiring graded lessons will find them in these papers. The simplest of all for the primary classes in the SUNBEAM.

For the great intermediate mass of scholars, the lessons in PLEASANT HOURS will be best suited.

For the advanced classes, the very full lesson notes in the HOME AND SCHOOL will be found in every way adapted.

We purpose, as soon as practicable, to publish a paper of the same grade as SUNBEAM on alternate weeks with that paper. But in the meantime schools wishing a very pretty paper for the very little folks we furnish the PICTURE LESSON PAPER, published by the Great Methodist Publishing House, New York. The pictures are expressly made to teach the lesson, even when the scholar cannot read. It is issued every week at 25 cents a year.

REV. DR. HURLBURT, of New York, whose name is familiar in all Methodist Sunday-schools, has issued the following notice, which we commend to our Sabbath-school superintendents and teachers as worthy of their attention. The importance of careful study and preparation must be appreciated by all teachers who feel their responsibility when giving instruction in the Holy Scriptures. From such the proposition of Dr. Hurlburt will receive the consideration it is worthy of. Dr. Hurlburt writes as follows:—"All Sunday-school teachers who recognize their need of a better training for their work, and superintendents who desire to organize classes of young people for preparation as teachers, are invited to communicate with Rev. J. S. Hurlburt, D.D., at the office of the Sunday-school Department, 805 Broadway, New York (enclosing stamp), and apply for the circulars explanatory of the Assembly Normal Union, which provides a plan and course of study in the Bible and in Sunday-school work, with special Normal lesson leaves, questions, examinations, and a diploma on the completion of the course." All books required for this course or the C. L. S. C. course may be had at the Book-Room.—*Guardian*.
