SHUTTLES OF ALL DESCRIPTIONS.

SOLE MANUFACTURER OF

Dudley's Patent Double Outside Catch Shuttles.

The only double outside catch Shuttle made. Advantages over all other styles of Shuttles - 1st. It is impossible for the Bobbin to knock off or lift up while the Shuttle is in motion. 2nd. Always keeps the Bobbin pointing directly to the eye of the Shuttle. 3rd. It prevents the splitting of rims off Bobbins. 4th. It is adjustable to different sized Bobbin heads in the same Shuttle. 5th. It never gets out of repair.

Correspondence Solicited.

A MONTHLY PAPER FOR NOTHING.

We are pleased to announce that we have completed arrangements by which we are enabled to offer free to each of our subscribers a year's subscription to "CANADA," the well-known Monthly Journal for Canadians, Young and Old, at Home and Abroad. We make this offer to each of our subscribers who will pay up all arrearages and for one year in advance, and to all new subscribers paying for one year in advance. CANADA begins a new series with the number for November, 1892, and while preserving the features which have won wide recognition for it already will add new ones which will render it still more emphatically the favorite Canadian monthly paper. It is pure, intensely patriotic, attractive in make-up, and remarkably varied in contents. Many leading Canadian writers are among its contributors, and departments of Canadian Home Topics, etc., are edited by capable hands. The regular subscription price of CANADA is Fifty Cents a year, but by this arrangement it will cost you nothing to receive this splendid Canadian monthly paper for one year. Do not put it off, but send your subscription to-day. Sample copies of CANADA can be seen at this office, or can be obtained from the Publisher, Hampton, New Brunswick.
