OUR BULLETIN.

THE indications point to a "prolonging of days" for our Bulletin. There is still a small amount needed to make "all things right" up to date, but the expressions of good will and the desire manifested by many to see the Bulletin continued, leads us to go on with its publication.

"ABSENT BUT NOT FORGOTTEN.

OUR worthy President, Hon. S. H. Blake, is now with his family enjoying a well earned season of rest at Point a Pic, Murray Bay. We trust the vacation may be marked by nothing calculated to call forth other than pleasurable recollections, and that he may return to us strengthened for the work.

BIBLE CLASSES.

RO. H. B. GORDON is much encouraged in his work as leader of the Sunday Afternoon Bible Class. The attendance is very good, and the interest deepens.

The Secretary's Bible class has received accessions to its numbers each week, and there is a marked interest in the study of God's word, by many who attend.

Mr. Burford's Bible classes at the West End Branch are largely attended and keep increasing.
