## SCOTCH PAPERS IN CANADA.

Mr. Hunter, of Alex. Pirie & Sons, Limited, paper manufacturers, Aberdeen, Scotland, has just finished his usual autumn trip to Canada, and reports trade as fully better than former years, and expects still better results on his spring trip, as the extra preferential duty will then take effect. Their home mills have been exceptionally busy all through the summer, especially in high-grade writing and commercial papers. In addition to their usual standard papers, extra superfine, antique parchment, vellum, standard and plated papers, several new high-grade writing papers have just been brought out, one of them called "Royal Bucks," a pure white wove paper in satin and mill finishes, of high-grade quality, with a pleasant writing surface, and very

suitable for engraving and relief stamping, and handsomely done up in white boxes with stag's head embossed in gold. This paper is having an excellent sale for society note paper. It is made in three sizes, large post, octavo and Albert. In addition to these writing papers, Pirie's extra superfine

visiting cards, in white and London shades, loans, ledger papers of all grades, drawings, music, cartridges and all the higher grades of writing papers for business and commercial purposes are made and carried in stock. Pirie's papers are carried by all the principal wholesale stationers in Canada.

## FOR THE TYPEWRITER.

Every stationer should carry a fairly well assorted stock of boxed typewriter papers. The use of the typewriter is now so common among business houses that stationers even in the smallest towns can do quite a trade in the supplies. Bunton, Gillies & Co.'s new line, containing 44 styles, is range enough to supply almost any want.

## A NEW PENCIL.

A new hard rubber, ever-pointed pencil which comes in black and colors of a length suitable for the vest pocket is a novelty in the pencil line and should be a seller. Buntin, Gillies & Co., Hamilton, are offering them to retail at 25c.
