

Well, well, we won't dispute about the matter, it's so easily tried," said Mr. S. putting the bag into the scales again. "There," said he, "I told you so; knew I was right—made a mistake of nearly twenty pounds; however, if you don't want the whole, you needn't have it; I'll take part out."

HEAR AND EXCELLENT INK.—We like ink that is as black as midnight and glistens as the raven's wing. Bad ink is a decided nuisance. There is scarcely anything more undesirable than to receive a long letter with bad spelling and worse penmanship, on another man's business; but the annoyance is greatly aggravated if written on dull blue paper, with ink about the color of muddy water. Good ink may often be had by paying a good price for it, say about fifty cents per quart; but after the manufacturer has got up his reputation, he is tempted to sell a cheap and miserable article. The best way is for all to make their own ink, and save at least one thousand per cent., as ink is commonly sold at retail, between first cost and final price. But how shall we make it easily and cheaply? Thus:—Buy extract of logwood which may be had for three cents an ounce, or cheaper by the quantity. Buy also, for three cents, an ounce of bi-chromate of potash. Do not make a mistake, and get the simple chromate of potash. The former is orange red, the latter clear yellow. Now, take half an ounce of extract of logwood, and ten grains of bi-chromate of potash, and dissolve them in a quart of hot rain water. When cold, pour it into a glass bottle, and leave it uncorked for a week or two. Exposure to the air is indispensable. The ink is then made, and has cost five to ten minutes' labor, and about three cents, besides the bottle. This ink is at first a pale steel blue, but becomes quite black. We are using this ink a fair while, and know whereof we affirm." So far as we know it is true. —Country Gentleman.

A DISTRESSING COUGH CURED. Dean Sini—A few weeks since I had a distressing cough; my throat was very sore and inflamed, and I procured a bottle of Perry Davis' Pain Killer, of you, and it has entirely cured me. I have also seen it used in cases of toothache and ague in the face, with the most beneficial effects. I believe it to be an indispensable medicine, and shall recommend it to my acquaintances.

C. W. BANKS, LA PORTE, Ind. This may certify, that my wife was for some time very much afflicted with a violent cough, which rendered her so much that she was unable to enjoy a woman's duty, day or night, and by the use of one bottle of Perry Davis' Pain Killer, was entirely relieved, and now enjoys good health.—I consider it one of the best family medicines in use.

AYER'S CATHARTIC PILLS. Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse the disordered humors—purify the blood, and let the fluids more abundantly circulate in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease, and rid the system of its natural impurities. These, if not relieved, react upon the nerves, and derange the natural equilibrium of the system, and the system deranged, and the health impaired, is the result. While in this state of derangement, the system, taken by Ayer's Pills, and see how directly they restore the natural action of the system, and with it the injured feeling of health again. What is true and so apparent in this, is also true in many of the deep-seated and dangerous diseases. The same purgative effect extends to them. Cured by similar obstructions and derangement of the natural functions of the system, they are cured, and many of them cured, by the same means. Some can never take a course of these Pills, without employing them with suffering from the disease they cure.

As a Family Physic. Your Pills are the price of peace. They express any evil that is in the system, and in the most delicate manner, and in such a manner, that the system is purified, and the health is restored. As a Family Physic.
