Since its inception the Company has enjoyed uninterrupted prosperity, and has taken a very active part in the development of the West. With the rapid growth of Western Canada, the demand for money is so great that the present profitable rates of interest will be maintained for years to come; and with such a desirable field for loaning operations, combined with a progressive management, the price of the Company's Stock should continue to advance, and with the prevailing high dividends, the Stock of this Company will undoubtedly be in great demand by those who desire a safe and profitable investment.
