We Don't Solicit Advertising From Everybody

If a man has a bad record he can't get in. We can always say to our readers—"You will be safe in doing business with our advertisers," and it's true. Do you notice there is no chaff in these columns; nothing but wheat. Sound concerns like to have good business men read their advertisements, and good business men want to read the announcements of reliable people. This is worth considering if you are not an advertiser.

The volume of business doing is quite moderate in character. We quote:—Coltness pig iron none here; Calder, No. 1, none here; Calder, No. 3, none here; Summerlee, \$20.50 to 21.00; Eglinton, \$18.00 to 18.50; Gartsherrie, none here; Carnbroe, \$19; Shotts, \$19 to arrive; Middlesboro, No. 3, \$17.00; Niagara, No. 2, \$21; Siemens, pig, No. 1, \$17.50 to 17.75; Ferrona, No. 1, 17.50; machinery scrap, \$15; common do., \$12 to 13; bar iron, Canadian, \$1.60; British, \$2.00 to 2.15; best refined, \$2.40; Low Moor, \$5.00; Canada plates—Blaina, or Garth, \$2.25, 52 sheets to box, 60 sheets \$2.30, 75 sheets \$2.40; all polished Canadas, \$2.50 to 2.75; Terne roofing plate, 20x28, \$5.75 to 6.00. OILS, PAINTS AND GLASS.—Not a change of any kind can be noted in prices in these goods. The movement continues a fair one in most lines; but fish oils apparently attract no attention, and prices are more or less nominal. There are several thousand packages of glass on steamer now in, but considerable supplies have yet to come forward before the closing of navigation.
