Mercantile Summary.

SINCE the opening of navigation an
Owen Sound cement company has ship-
ped 7,000 sacks of cement to Winnipeg.

THE sum of \$11,000 will be spent in
extending and improving the system of
electric light in Fort William, and
tenders for debentures for that amount
are being invited by the town clerk.

A MEETING of the creditors of Thomas
Lynch, grocer of Halifax, N.S., was held
last week, after which he assigned. He
has been in business some 25 years in a
moderate way, and has hitherto paid his
way regularly. Liabilities are about
\$3,700, largely local.

THERE is but one small failure to
notice in Toronto this week, namely,
that of A. P. Watt, bookseller, who has
been in business five years, but never ac-
cumulated any capital, and now assigns.
—At St. Jean Baptiste, Manitoba,
Klaiman & Moldowan, general store-
keepers, have assigned, after being in
business about a year.

W. T. DRYSDALE, Woodstock, N.B.;
Wilmot Baloff, Centreville; James A.
Belyea, A. G. Blair, jr.; John Connor,
R. W. Connor, St. John, and Patrick
O. Mullin, Halifax, N.S., have been elect-
ed directors of the Woodstock and
Centreville Railway Company. The new
Board expect to resume operations on
the road in a few weeks.

THE Alaska Feather & Down Co.,
Limited, Montreal, wish the commercial
public to know that the fire which took
place in the factory last week has not
seriously impaired their manufacturing
facilities. Fall orders will go out prompt-
ly on time, and orders for immediate de-
livery will not be delayed more than a
few days. All damaged stock is being
sold at auction by the insurance com-
panies, and all goods the firm makes will
be made from perfect cloth, fresh from
the mills.

A DEMAND of assignment has been made
upon J. P. McCall, a dry goods mer-
chant, formerly of St. Johns, Que., but
who recently moved to Sherbrooke,
where he bought out the well-establish-
ed business of H. Samuels. He suffered
from a lack of capital while in St. Johns,
and was not reported prompt pay there,
and in taking over the present business
is thought to have assumed a larger load
than he can carry.—An assignment has
been made by R. H. Kenny, tailor, Ot-
tawa. He was formerly of Kenny Bros.,
who tried to compromise at 30 cents in
1894, but were eventually wound up by the
assignee.
