

Why Shouldn't YOU Profit By Western Development?

Some of the world's greatest history being made right at your elbow, and you are letting it pass unnoticed; opportunities for legitimate wealth-building staring you in the face, and you are closing your eyes to them; the most wonderful empire-development the world has ever known proceeding around you, and you are going on about your routine affairs and not profiting by it. The opportunity won't ALWAYS be there. You should act NOW; study, analyze, take precautions, but don't be blinded to the REAL opportunities.

Port Edward, B.C. Prince Rupert's Industrial Annex

offers you ONE of the real opportunities. Port Edward will be developed as an adjunct of Prince Rupert. Its success does not depend on the "yea" or "nay" of any man; it is absolutely and indubitably assured. Industrial enterprises that will rule in their lines in years to come are now establishing at Port Edward; development work is going ahead; waterworks system now being installed. Port Edward lots are selling now at prices that will never be equalled again. A few months will make a difference in values. Don't wait longer; don't put it off. This is YOUR opportunity.

\$100 to \$2,000 per Lot; 1/4 Cash, balance 1, 2 and 3 years
