HOW IS THIS?

Something unique even in these days of mammoth premium offers, is the latest effort of Stafford's Magazine, a New York monthly of home and general reading.

The proposition is to send the magazine one year or one dollar, the regular subscription price, and in addition to send each subscriber fity-t-ro complete novels during the twelve months; one each week.

Think of it. You receive a new and complete novel, by mail, post paid, every week for fity-two weeks, and in addition you get the magazine once a month for twelve mouths, all for one dollar. It is an offer which the publishers can only afford to make in the confident expectation of getting a hundred thousand new subscribers. Among the authors in the coming scries are Wilkie Collins, Walter Besant, Mrs. Oliphant, Mary Ceell Hay, Florence Marryat, Anthony Troilope, A Conan Doyle Mis Braddon. Captain Marryat, Miss Thackery and Jules Verne. If you wish to take advantage of this Jnusual opportunity send one dollar for Stafford's Magazine, and your first number of the fifty two novels (one each week) which you are to receive during the year will be sent you by return mail. Remit by P. O. Order, registered letter or express Address

W. H. Comstock, Brockville, Out.

Dear Sir, -Your "Dr., Morse's Indian Root Pills' are the best regulator for the system that humanity can us?. Life is as the time-piece: frail and delicate are many of its works. A tiny particle of foreign substance adheres to the smallest wheel in the works, and what is theresult?—at first, only a slight difference is perceptible in its time-keeping, but wait you; at the obstruction growe, the irregularity becomes greater, until at last, what could have been rectified with little trouble, in the beginning, will now require much ca.e in thoroughly cleaning the entire works. So it is in human ife—a slight derangement is neglecced, it grows and increases, imperceptibly at first, then rapidly, until what could, in the beginning have been cured with little trouble, becomes almost fatal. To prevent this, I advise a'l to purify the system frequently, by the use of Morse's Pills, and so preserve v.gor and vitality.

Yours faithfully,

DEAR SIE,—For many years, I have been a firm believer in your "Dr. Morse's Indian Root Ivilla" Not with a blind faith, but a confidence wrought by an actual personal experience of their value and merit. My business is such that I spend much of my time away from home, and I would not consider my travelling outfit complete without a box of Morse's Pills.
