

STANDARD Floor Dressing

YOUR interest in the welfare of schools and of school children will prompt you to investigate the merits of Standard Floor Dressing. This product has particular advantages for use on the wood floors of schools and all public buildings.

Standard Floor Dressing holds down the dust on the floor, and kills the disease germs which abound in dust.

Standard Floor Dressing costs more than common floor oils, but one application prevents dust for from three to four months.

Standard Floor Dressing is sold in one and four gallon cans, also in barrels and half barrels. Our nearest office can give you full information and prices.
