and by renumbering subsequent clauses accordingly.

Is it the pleasure of the House to adopt the said motion? All those in favour will please say yea.

Some hon. Members: Yea.

Mr. Speaker: All those opposed will please say nay.

Some hon. Members: Nay.

Mr. Speaker: In my opinion the nays have it. And more than five members having risen:

Mr. Speaker: The division will be deferred. The question is now on motion No. 30. I might mention that there is some doubt as to the procedural acceptability of this motion. I do not think we should at this point embark upon a procedural discussion as to whether the motion should or should not be put. I am sure hon. members want me to put the question.

Mr. Downey moves motion No. 30 as follows:

That Bill C-176, an act to establish the National Farm Products Marketing Council and to authorize the establishment of national marketing agencies for farm products, be amended by adding the following immediately after clause 38 at line 43, page 23:

"Consequential amendment

39. Section 5 of the *Export and Import Permits Act* is amended by adding the following subsection:

(2) Where at any time it appears to the satisfaction of the Governor in Council on a report of the Minister of Agriculture made pursuant to an inquiry by the National Farm Products Marketing Council in the fulfilment of its duties that a natural product of agriculture of any kind is being imported or is likely to be imported into Canada at such price, in such quantity and under such conditions as to cause or threaten serious injury to Canadian producers of a like or directly competitive regulated product within the meaning of the *Farm Products Marketing Agencies Act*, any product of the same kind may, by order of the Governor in Council, be included on the Import Control List in order to limit the importation of such product to the extent and for the period that, in the opinion of the Governor in Council, is necessary to prevent or remedy the injury."

and by renumbering subsequent clauses accordingly.

Is it the pleasure of the House to adopt the said motion? All those in favour will please say yea.

Some hon. Members: Yea.

Mr. Speaker: All those opposed will please say nay.

Some hon. Members: Nay.

Mr. Speaker: In my opinion the nays have it. I declare the motion lost on division.

Motion No. 30 (Mr. Downey) negatived.

• (10:20 p.m.)

Mr. Speaker: Order, please. The first question is on motion No. 1. Motion No. 1, moved by the hon. member for Crowfoot (Mr. Horner), reads as follows:

That Bill C-176, an act to establish the National Farm Products Marketing Council and to authorize the establishment of national marketing agencies for farm products, be amended by deleting from subclause (c) of clause 2 all the words after the word 'agriculture' at line 14, page 1.

The President of the Privy Council (Mr. MacEachen) moved an amendment to motion No. 1 as follows:

That Motion No. 1 of Mr. Horner, seconded by Mr. McIntosh, be amended by striking therefrom all the words following the word "deleting" and substituting therefor the following:

"subclause (c) of clause 2 and substituting therefor the following:

"(c) 'farm product' for the purpose of Part I, means any natural product of agriculture and any part of any such product and, for the purpose of the other provisions of this act, means

(i) eggs, and poultry, and any part of any such product, and

(ii) any other natural product of agriculture and any part of any such product in respect of which the Governor in Council is satisfied, as a result of declarations by provincial governments following plebiscites, or otherwise, that the majority of the producers thereof in Canada is in favour of the establishment of an agency under section 17 with powers relating to that product;

The hon. member for Swift Current-Maple Creek (Mr. McIntosh), moved an amendment to the said proposed amendment as follows:

That the amendment be amended by adding thereto, immediately following the word 'product' at the end thereof, the words 'but, for the purpose of any of the provisions of this act, shall not include cattle or calves;'

The question is on the subamendment.

The House divided on the amendment to the amendment (Mr. McIntosh) which was negatived on the following division.
